INTRODUCING THE

1984

Recipient of

THE JOSEPH G. ROGERS AWARD

WILLIAM E. DAISLEY

Bill Daisley has spent his entire life in the Erie, Pennsylvania area. Following graduation from Edinboro College Mr. Daisley went to work for the Erie, Pennsylvania YMCA. His career has spanned over twenty-five years as a professional and is still counting. His work in the Middle Atlantic Region Competitive Swimming and Diving Program has made it one of the best in the country. While a Physical Director, Bill coached swimming. His record over fourteen years showed 318 wins and only 8 losses.

Among his many accomplishments in the field of Swimming are:

- Certified YMCA Aquatic Director.
- Produced and coached numerous State and National YMCA champions.
- Hosted and conducted two National YMCA Swimming and Diving Championships.
- Computerized and Nationally televised the 1972 National YMCA Championships.
- Serves as a consultant to YMCAs, high schools and colleges in Stroke Mechanics and Coaching Techniques.
- Serves as the Competitive Swim Coordinator for the YMCA of the USA East Field.
- Member of the National YMCA Swimming and Diving Council.
- Serves as National YMCA Swimming and Diving Officials Chairman.
- Recipient of the National YMCA Conrad Carroll Award presented for outstanding dedication to the YMCA Swimming and Diving Officials Program.

Bill, currently the Executive Director of the Glenwood Park YMCA, Erie, Pa. has been honored as a Directorate of Physical Education. He recently was elected to the Pennsylvania Swimming Hall of Fame.

Bill Daisley makes a very positive effect on all those who come in contact with him. He has almost single handedly put the YMCA Swimming and Diving Officials Program where it is today - the best in the country.

The greatest gift one can give to humanity is the gift of constructive, dedicated and creative life. Many have given these gifts to the YMCA Aquatic and Competitive Programs. Bill is one of those many individuals. We are indeed proud to honor William E. Daisley as the 1984 recipient of the Joseph G. Rogers Award.

OUTSTANDING PARTICIPANT AWARDS

It is difficult to picture the emotionally charged crowd and the physically charged athletes becoming quiet before the finals on the last night of the National YMCA Swimming and Diving Championships. Nevertheless, the presentation of the Outstanding Participant Award has become a time of respect and anticipation with the crowd. The 1984 Outstanding Awards were no different. What an emotional moment as the announcements were made that Mary Mumber of the West Shore YMCA in Harrisburg, PA, and Glenn Trammel of Topeka, Kansas, were to receive the 1984 awards.

Mary Mumber is certainly a national caliber YMCA swimmer. She has been swimming since the age of 12. She set eight state records in that time and placed well in the YMCA National Championships. She is a Senior National Qualifier.

More importantly, she has been sharing herself with her YMCA since age 13. She is an officer in the Leader's Club in her YMCA and has further participated in the Region Leadership Camp for two summers. Punch the rest into the computer and figures are even more impressive. She's a volunteer swim instructor for four years, been selected as YMCA Youth of the Year, a member of the National Honor Society for three years, a member of the Spanish and Religion Clubs in school, a volunteer in her church nursery, helped organize the local Swim for Cancer, and a summer youth swim coach. Her coach's comments speak of love and respect..."the greatest asset our team has ever had." She is loved by all who know her for her values, determination, and commitment to serve others. She has an extremely positive attitude and a sense of sportsmanship recognized as personifying the YMCA triangle. We are all proud of Mary as a part of our YMCA movement.

Glenn Trammel of Topeka, Kansas, was named the Outstanding Male Participant. Glenn has been swimming competively since age 7. He has been nationally ranked in many events and a current state high school champion in the 100 back and the 200 IM and a high school All American. He placed second in the National Junior Olympics on two occasions. Swimming is a full load, but somehow Glenn dug a lot deeper. He was named the Outstanding Eagle Scout of his state along with the many honors that go with this achievement. He is active in his church Sr. High Youth Group and team captain of the acolyte team for four years. He is a volunteer with the community zoo projects and his community school district. He is active in his local hospital and an officer in the Junior Class. Glenn is a member of the Latin and Spanish Clubs and the Nationl Honor Society. He ranks in the top 10% of his class. Glenn is working currently in a mentorship program in the emergency room medicine of his hospital. Leadership, Christian faith, giving and sharing are traits that are combined to make up our 1984 Outstanding Male Participant - Glenn Trammel.

We'll all be watching Glenn and Mary in their successful futures. Congratulations.

THE CONRAD CARROLL AWARD

The Conrad Carroll Award is given in memory and honor of a person who best exemplifies the "true official", a person who has given of himself for the betterment of officiating in the YMCA Competitive Swimming and Diving Program.

This year the award was bestowed upon Harold Gibson. Mr. Gibson is a fifty-year member of the Glenwood Erie, PA YMCA. He has been an official for more than forty years, officiating on all levels of swimming competition (college, high school, YMCA). He is a three-star YMCA Swimming and Diving official and has officiated in nine consecutive National YMCA Swimming and Diving Championships.

Harold Gibson certainly exemplifies ideals and values which are inherent in the National YMCA Program.
