INTRODUCING THE
1986
Recipient of
THE JOSEPH G. ROGERS AWARD

JACK H. TANNER

Jack H. Tanner over the years has given unselfishly of his time and talent to further the growth and development of all aspects of YMCA Aquatics.

Following graduation from Ohio State University where he swam under the famed Mike Peppe, he started a career in the YMCA. From Physical Director to Executive Director he has served several YMCA Associations across the country. For a time he served the North Central Area YMCA (Wisconsin). It was in that job he wrote a manual and guide on How to Conduct a Successful Swimming Meet.

Among his many accomplishments in Aquatics are:

- Certified YMCA Aquatic Director.
- Produced and coached many State and National YMCA Champions.
- Hosted and conducted the 30th National YMCA Swimming and Diving Championships for Men in 1957 at the Richmond, Indiana YMCA.
- Member of the Championship Committee for the Third National YMCA Swimming and Diving Championships for Women, Green Bay, Wisconsin in 1969.
- Recipient of the National YMCA Aquatic Distinguished Service Plaque in 1970.
- Recipient of the Directors Service Award for Physical Education for the North Central YMCA Competitive Swimming and Diving Committee since its inception in the early 1970's.

Mr. Tanner currently is the Executive Director of the Downtown YMCA in Birmingham, Alabama.

The measure of success or stature of a person is the effect that person has on other people. Jack Tanner has formed many lives and has had a positive effect on all of them. His dedication to the YMCA and its competitive Aquatic Program has meant a great deal to competitors, parents, and associates alike.

The greatest gift one can give to humanity is the gift of a constructive, dedicated and creative life. Many have given these gifts to the YMCA Aquatic and Competitive Programs. Jack is one of those many people. We are indeed proud to honor Jack H. Tanner as the 1986 recipient of the Joseph G. Rogers Award.

OUTSTANDING PARTICIPANT AWARDS

The emotionally charged final night crowd always becomes silently attentive for the presentation of the Outstanding Participant Award. This year's selection committee reviewed from a long list of qualified swimmers. The final pick is difficult in every respect. The male and female swimmers selected to represent the 1986 Outstanding Participants were Denise Dawn Sonntag of Allentown, PA, and Rick McCarthy of Westport, Conn.

Denise and Rick are both quality swimmers on the local, district, state, and national level. Their activities beyond the waves in the pool are what attracts even more attention.

Denise is an honor roll student, a member of her high school track team and a majorette in the band. She had the privilege of marching in the 1985 Rose Bowl parade. She is also a member of her school's Contemporary Affairs Club. This five-year Girl Scout is very active in her church in the choir and the bell choir. She is secretary of her church youth group and volunteers in the nursery. When not swimming, running, marching, or volunteering, Denise is working in a department store, lifeguarding, or teaching swimming. Her coach's description of Denise was "simply inspirational." "As a coach, there is little I could do to equal the inspirational affect she had on our team."

Rick McCarthy is a unique young man. He captained his high school football, track and swimming teams. He excels in karate and is an all-state swimmer. He is an honor student, secretary of the Senior Class, representative to the high school and Board of Education. He received his school's citizenship award. Rick is a member of the school concert choir and has volunteered to work with the disabled for the last four years. Rick is described by his coach as a very genuine, real person who is bursting with leadership. He is an excellent role model and can be found encouraging others wherever he goes. Not surprisingly, his leadership and academics have been recognized beyond the field of athletics, YMCA and school. He has been accepted at the United States Military Academy, the Naval Academy and the Coast Guard Academy. He is leaning towards the latter.

Good luck, Denise and Rick. Your YMCA will be watching for great leadership in the future.

THE CONRAD CARROLL AWARD

The Conrad Carroll Award is given to a person who best exemplifies the "true official", a person who has given of himself for the betterment of officiating in the YMCA Competitive Swimming and Diving Program.

The award is given in memory of Connie Carroll who gave twenty years of service to the YMCA as a Swimming Official on all levels of competition.

This year the award was bestowed upon Ed Henn. He has been involved in YMCA Aquatics for over fifteen years as an official on the Local, District, Regional, Field and National level. He has represented the Great Lakes Region on the National YMCA Competitive Swimming and Diving Committee and presently serves as Records Chairman for the National YMCA Competitive Swimming and Diving Program. Prior to being appointed as Records Chairman, Henn officiated in the National Championships in several capacities.

Ed Henn certainly exemplifies ideals and values which are inherent in the National YMCA Program.
