History National YMCA Swimming and Diving Championships. “A Long Course Championship Program!”

In the mid-1980's The National YMCA “Short Course Senior” Swimming and Diving Championship Meet was flourishing to the point that it may have become the largest senior swimming championship in the country perhaps in the world. The YMCA Masters Short Course Meet, which started in 1980, under the leadership of John de Barbadillo, was also growing. The YMCA's place in the United States Competitive Aquatic Community along with the United States Olympic Swimming and Diving Committee were well established. The time was right for the National YMCA Swimming and Diving Committee to think about expansion - what type of meet, when and where would it be held, and finally who would be the meet director?

To begin to set expansion in motion, a survey was conducted in 1983 to determine interest in a possible Long Course YMCA Championship. 38 said “Yes” to a championship of this type in 1983 and beyond, 17 said “No” to 1983 but “Yes” for 1984 and 15 said “No” not at all. No action was taken at that time. The vision for this new National YMCA Championship Meet really came about in April 1985 near the end of the Short Course National Meet held in Ft. Lauderdale, Florida. It took off when Ed Henn, a member of the National YMCA Swimming and Diving Council/Committee, approached the president of our committee, Gene Keltner, with a suggested concept for a combined National YMCA Long Course Age Group and Masters Championship Meet and making it a “Timed Finals” event. (**See biography for Ed Henn at the end of this document, after the meet results.**)

Gene thought the idea had merit and told Ed that he would take his proposal to the winter meeting of the National Executive Committee meeting and would let him know the outcome. At that meeting of the executive committee were **Gene Keltner Chairman, Gloria Summers Vice-Chairman/ Administration, Peggy Kelso Vice-Chairman/ Program & Standing Committees, Paul Atkinson Vice-Chairman/Field Representatives, Jim Stocker Secretary, Lynn Rickert Treasurer, Joe Rogers Chairman Emeritus, Archie Harris, Bill Daisley, Bob Mowerson, Clyde Truttmann Members at Large**). After a lengthy discussion, with both pros and cons debated, a decision was made. The committee would sponsor and host the first “**National YMCA Long Course Senior Championship Meet**” in 1986 with preliminaries and finals. The proposed location would be the Countryside YMCA in Lebanon, Ohio and Ed Henn would be the Meet Director. The Countryside YMCA had an 8 lane outdoor pool and an indoor pool for diving which was located just north of Cincinnati, Ohio. Ed was quite honored to be selected as the meet director for this National YMCA Long Course Championship Meet. However, he was disappointed that it was not a combined meet as he had suggested because he felt strongly that there was a real need for the YMCA to establish an Age Group Championship Program and a Long Course Masters Championship Meet. To date this has not happened although a National YMCA Masters Championship Meet was attempted in 1993 but was cancelled.

Ed and the official's chairman, Al Dahl, began working on the newly established meet immediately. The first order of business was to check and certify the dimensions of the outdoor pool facility at the Countryside YMCA. Upon doing so it was discovered that the pool did not meet the requirement for hosting this Long Course Championship Meet. Ed Henn and Alan Dahl, moved quickly to find a new location for this championship meet.

National YMCA Long Course Swimming and Diving Championships

The first YMCA National Long Course Swimming Meet was held on August 6-9, 1986 at the Keating Natatorium on the campus of St. Xavier High School in Cincinnati, Ohio. The Keating Pool however did not have diving facilities and as a result the diving was conducted at the Countryside YMCA on August 6 & 7th in Lebanon, Ohio. Team registrations were due by June 15th and the entry deadline was July 25, 1986. The Championship headquarters was at the Radisson Inn, 11440 Chester Road, Cincinnati, Ohio 45246. Team registrations were held August 7-9, 1986.

There were 453 athletes from 55 YMCA's that attended this 1st Long Course National YMCA Championship Meet. Teams came from as far away as California, Maine, and Florida to participate in this 1st National YMCA Long Course Championship Event. **(The YMCA teams, and states participating in the meet is listed after the Final Team Results.)**

Notes of Interest from the 1st Long Course Meet:

1. The 1986 Long Course Meet was the 1st National YMCA Championship Meet to have the auto-timing system directly connected to the computer. It was a Colorado Timing System which was owned by the Southwest Ohio Cluster YMCA Swimming League.
2. An 8 lane Colorado scoreboard used in the meet was borrowed from the Beavercreek YMCA, thanks to Director Paul Atkinson, and was mounted by Al Dahl, a lay volunteer from the Blue Ash YMCA.
3. To have triple lane lines for the meet, extra lane lines were borrowed from YMCA's in the Southwest Ohio Cluster YMCA Swim League.
4. All deck officials used in the meet were YMCA certified officials from the Southwest Ohio District YMCA Swim League.

Report of the National YMCA Swimming and Diving Committee

Gloria Summer's, Chairman

On behalf of the National YMCA Competitive Swimming & Diving Committee, welcome to the 1st National YMCA Swimming and Diving Long Course Championship Meet. It is my sincere hope that this will be the first of many! Congratulations on qualifying for this championship and to the parents, coaches, and volunteers for their unending support. Competitive swimming and diving can be used as a tool to develop values and character! Some will win---some will lose—but all will gain through participation. The National YMCA Competitive Swimming and Diving Committee have recently had a change in officers and we will strive to maintain the highest level of excellence in all of our championship meets; Short Course, Masters and now the Long Course.

Biography: Ed Henn

Ed Henn, the inspiration behind the establishment of Our National YMCA Long Course Swimming & Diving Championship Meet. Twenty one years prior to the **1st National YMCA Long Course Swimming and Diving Championship Meet** in 1965, Ed and Dottie Henn joined the Powel Crosley Branch YMCA in Cincinnati, Ohio. The reason for this was because they loved boating and having 3 children, there was a serious concern about water safety and the YMCA swimming lessons were the answer. All 3 kids (1girl and 2 boys) became good swimmers and joined the Y's swimming team.

While members of the **Powel Crosley YMCA** in 1972-1980 Ed, became President and Meet Director of the Powel Crosley Y Swim Team Parents Club; from 1973-1980, Ed was the Chairman of the Y's Program Committee; from 1973-1979: he was Chairman of the Physical Education Committee; from 1980-1985: Ed also served on the Branch Board of Managers from 1973-1985.

In 1973 thru 1983 Ed was elected President of the **Southwest Ohio YMCA Swimming League** and served in that capacity for 10 years. He also served as Meet Director for all the Leagues Swimming Championship Meets. Under his leadership the swim league established an summer Long Course Championship Meet in the late 1970's or early 1980's which was a huge success.

Ed was a member of **Great Lakes Regional YMCA Swimming and Diving Committee** from 1974 thru 1985 and served as its Chairman 1983-85. During his tenure on this committee Ed served as Meet Director of the Regional Championship Meet several times.

In 1978, Ed became a member of the **National YMCA Competitive Swimming and Diving Committee** and served until 1994. While on the committee he served or achieved the following: National Level III Official; National Officials Certification Instructor (1977-1994); Chairman of the National Records & Top 25 (1982-1986); Committee Secretary (1986-1994); National Long Course Meet Director (1986- 1990) and was the driving force behind the establishment of our National YMCA Long Course Championship Meet.

Biography: Ed Henn Continued:

Specical Note: Historically, Ed Henn was the driving force behind the establishment of our National YMCA Long Course Swimming and Diving Championship Meet in 1986. This is very similar to Margaret “Peggy” Kelso who was the catalyst behind the establishment of our Women’s National YMCA Swimming and Diving Championship Meet in 1967. Ed is a hardworking, dedicated individual, who always strived for excellence in our YMCA Competitive Swimming and Diving Championship Programs at all levels. Ed had something extra however, and that was his wife Dottie. That old adage “Behind every good man there is a good woman” was certainly true. Dottie was also an accomplished YMCA Official and was able and willing to fill in where ever needed! They were TRULY a GREAT TEAM that worked together for the advancement of our YMCA Competitive Swimming & Diving Programs at all levels; locally, regionally and nationally!
