

Wednesday July 29, 2003

A few years ago, the YMCA motto was "a family affair." Yesterday, as I looked around the pool deck, I realized YMCA swimming is just that in my family. My younger brother and sister also compete on our YMCA team. Although my brother plays baseball during the summer, Laura (my sister) is swimming along side of me this week. My mother also is on deck with us as an official. She swam YMCA as a teen still swims on our Y's master's team today. Being here with my mom and sister has been a great experience...I couldn't imagine this meet being the same without them on deck with me!

I would like to say hi to Anne, back at home! I miss you being on deck and wish you were here!
