

Day 1  
7-26-05

This year at the beginning of the season our team had 5 people qualified, but 2 weeks before the start our team qualified 6 more people. We have 10 girls and 1 boy.

Today we had a great start. Everyone swam great. Ashley made finals in 2 events.

We all were so excited for the parade. We dressed up like Barbies. We saw so many different costumes in the parade. There were people dressed up as pixie stix, gingerbread men, mice, pirates, santa and his reindeer, cowboys, and a lot more.

The first day was very fun and we can't wait for tomorrow. I especially can't wait because I swim my 800 free.
