

Downtown Atlanta – Keeping it Fun AND Safe!

The City of Atlanta and its Police Department, is committed to managing a safe environment within the Downtown area of Atlanta. The downtown covers approximately eight square miles. The area’s parameters are Peachtree Street and Spring Street on the North; Peachtree and Memorial Drive on the South; Glen Iris Avenue on the East, and North side Drive on the West.

The area has the largest contingency of lieutenants, sergeants, and officers providing assistance where needed. It includes a Day, Evening, and Morning Watch Mobile Unit dedicated to the reducing overall crime issues, within its area. This is managed by responding to 911 calls, assigning officers, strategically, throughout the area to maximize a presence, to assign officers in covert assignments to address panhandling, event’s tickets re-sells, and other illegal practices. With the assistance of a variety of integrated camera systems, they are able to monitor, manage, and resolve a variety of issues.

The units patrol in cars, on bikes, segways, and have a 24-hour foot patrol unit, that can assist with escorts, during walks from venues to hotels or restaurants. Very often, you will see the department’s beautiful Mounted Patrol Unit galloping through Downtown Atlanta. And, for the Harley - Davidson enthusiast, you can “witness” some of the best looking police motorcycles to grace Peachtree Street!

Atlanta takes pride in its community and is especially concerned about the community’s downtown perception. They take pride in addressing all requests, immediately, and resolving the concerns, to the “customers” satisfaction. They also place an emphasis on “partnerships”. Synergy allows them to address concerns with more resources, other than just the City of Atlanta’s. Thus, we they can respond and resolve matters more efficiently!
