YMCA National Swimming Championship Fun Facts

I'll meet you at the Y—Organizations started at YMCAs

YMCAs have long been places where things happened. Here are some of the organizations and events that first took place at a YMCA.

Toastmasters International was invented in 1903 as an older youth public speaking program by Ralph C. Smedley, education director of the Bloomington (III.) YMCA. Smedley realized that older boys visiting the Y needed training in communication skills. He arrived at the name The Toastmasters Club because meetings resembled a series of banquet toasts. At each YMCA Smedley transferred to, he would start a new club. Viewed as a personal idiosyncrasy of Smedley by other YMCA secretaries, the Toastmasters Clubs he started were by and large not successful until he began working at the Santa Ana (Calif.) YMCA. After the first Toastmasters Club meeting there on October 22, 1924, the idea took hold and spread, and a federation of Toastmasters Clubs was soon created. The federation of clubs incorporated in 1932, and by 1941 Toastmasters needed Smedley's full attention, so he resigned from the YMCA to devote himself to his creation.

The Negro National League, the first black baseball league to last a full season, was formed at a meeting at the Paseo YMCA in Kansas City, Mo., in 1920.

Gideons International was formed on July 1, 1899, at the YMCA in Janesville, Wis., by three men (Nicholson, Hill and Knights) who had come up with the idea a few months earlier. The Gideons were a group of Christian commercial travelers who were to evangelize as they went around the country on business. To that end, Gideons would leave Bibles in the rooms in which they had stayed. While their meeting was at the YMCA, they were not Y staff or volunteers or members. Nor were they taking part in a YMCA program.

Jazzercise, a famous aerobic exercise program for women, was started in 1969 in Evanston, Ill., by a dancer, Judi Missett. Missett began teaching Jazzercise® in 1972 at the La Jolla, (Cal.) YMCA. Jacki Sorensen, by the way, who is frequently but erroneously associated with Jazzercise®, has no connection with the YMCA. She has popularized aerobic exercise, however, and YMCAs have benefited greatly from her efforts in the field.

Father's Day in its present form was created at a meeting at the Spokane, Wash., YMCA in 1909 by Louise Smart Dodd. The Y and the Spokane Minister's Alliance swiftly endorsed the idea and helped it spread, holding the first Father's Day celebration on June 10, 1910. President Wilson officially recognized Father's Day in 1916, President Coolidge recommended it in 1924, and in 1971 President Nixon and Congress issued proclamations and endorsements of Father's Day as a national tradition.

Camp Fire Girls were founded in 1910. (Now Camp Fire Boys and Girls)

Boy Scouts YMCA leaders played a key role in the development of the Boy Scouts in the United States. YMCA and Scout leaders realized that Scouting in the United States needed to be a separate movement. In June 1910, a temporary national headquarters was housed in the YMCA office in New York City.

USO (United Service Organization) was created in October 1940, as a joint effort between many organizations including the YMCA, helping servicemen and noncombatants in the nation's war.

Peace Corps was founded in 1961 by President Kennedy and was patterned after the YMCA's program of World Service Workers, which had started in the 1880's.

USA SWIMMING

NATIONAL JUNIOR TEAM VISION STATEMENT

"The National Junior Team Program Will Strengthen the Future Performance of The United States Olympic Swimming Team."

2016-2017 NATIONAL JUNIOR TEAM SELECTION SUMMARY

GENERAL CRITERIA

- ❖ All team members must be registered USA Swimming members at the time of the qualifying performance.
- ❖ The athlete must be eligible to represent the U.S. in International Competition as of September 1, 2016.
- ❖ Athletes must be 18 or under on September 1, 2016.
- ❖ The National Junior Team roster will be selected according to the FINA database as of September 8, 2016 at 8am Mountain Time; if a time is not in the FINA times database as of September 8, 2016 then that time will not be considered.

PERFORMANCE CRITERIA

❖ To be selected to the National Junior Team, athletes must meet the General Selection Criteria. The Team will then be selected based on the following Performance Criteria:

Priority One: The top two athletes in each individual Olympic event.

Priority Two:
The third and fourth ranked swimmer in the 100 and 200 meter long course freestyle.

Additional FEMALE athletes who have a world ranking within, and including, the top

75 in an individual Olympic event and additional MALE athletes who have a world

ranking within, and including, the top 100 in an individual Olympic event.

- Relay lead-offs, time trials, swim-offs and intermediate splits will NOT be considered.
- ❖ Long course times will be considered from January 1st, 2016 through and including August 31st, 2016 from all USA Swimming and FINA approved competitions.

ADDITIONAL CRITERIA

- ❖ A minimum of 26 men and 26 women will be selected. If after applying all the selection procedures, the team size is below 26 men or 26 women, additional athletes will be included based on their highest world ranking, as outlined above, in an individual Olympic event until 26 men or 26 women are selected to the team. In meeting the minimum team size requirements, once an event has been filled with four swimmers no additional swimmers will be added in that event.
- ❖ Maximum team size will consist of 40 men and 40 women. Should more than 40 men or 40 women meet the selection requirements, those with the highest world rankings will be selected.
- Should there be a tie, either within in individual Olympic event or amongst a world ranking in two separate individual Olympic events, which would result in an increase to the team size beyond 40 men or 40 women, then the athlete's next highest world ranking in an individual Olympic event will be used to break the tie. Should this not break the tie, the process will be continued until the tie is broken.
- Athletes who have competed in an individual Olympic event at The Olympic Games, Pan Pacific Games, or World Championships are not eligible for the National Junior Team Roster.
- Athletes will be considered regardless of year in high school, college or university as long as all other requirements are met.
- Athletes may not appear on the National Junior Team Roster and National Team Roster within the same season.

USA SWIMMING

18 & Under

WORLD 100

2016-2017 18 & UNDER WORLD 100 SELECTION SUMMARY

GENERAL CRITERIA

- The athlete must be a registered USA Swimming member at the time of the qualifying performance.
- ❖ The athlete must be eligible to represent the U.S. in International Competition as of September 1, 2016.
- ❖ The athlete must be 18 or under on September 1, 2016 (born on, or after, September 2nd 1997)
- ❖ The 18 & Under World 100 list will be selected according to the FINA database as of September 8, 2016 at 8am Mountain Time; if a time is not in the FINA times database as of September 8, 2016 then that time will not be considered.

PERFORMANCE CRITERIA

- ❖ Athletes will be ranked according to their highest 18 & Under World Ranking in an individual Olympic event.
- ❖ The top ranked 50 men and top ranked 50 women, according to their highest 18 & Under World Ranking in an individual Olympic event, will be selected to the 18 & Under World 100.
- * Relay lead-offs, time trials, swim-offs and intermediate splits will NOT be considered.
- Long course times will be considered from January 1st, 2016 through and including August 31st, 2016 from all USA Swimming and FINA approved competitions.

ADDITIONAL CRITERIA

Athletes can visit the USA Swimming website to check their current highest 18 & Under World Ranking at any given point in the season.

http://www.usaswimming.org/DesktopDefault.aspx?TabId=2866&Alias=Rainbow&Lang=en
Enter "Born between" dates of 02/09/1997 (September 2nd, 1997) and current date (day/month/2016)

NOTE: If an athletes name, or time, is not appearing in the data base, please contact Mitch Dalton at mdalton@usaswimming.org

- ❖ A minimum of 50 men and 50 women will be selected to the 18 & Under World 100.
- Athletes will be considered regardless of year in high school, college or university as long as all other requirements are met.

MOTIVATION FOR GENERAL GOAL

❖ A general goal to shoot for would be an 18 & Under World Ranking within the Top 25 in an individual Olympic event at the conclusion of the qualifying period. Posting a Top 25 18 & Under World Ranking will not automatically qualify an athlete to the 18 & Under World 100. The intent of this general goal is to give coaches and athletes a motivational tool and measuring stick.

THANK YOU arena FOR HELPING US SAVE AND CHANGE LIVES!

arena Donates Swimsuits to Participants in Y's Safety Around Water Program

Access to swimsuits encourages swim program participation in underserved communities

As part of the Y's mission to help close gaps, global water instinct brand *arena* is donating 700 new swimsuits to participants in the Y's Safety Around Water program. While many children in underserved communities lack access to swimming lessons and swimming pools, an often unreported barrier is having the right swim gear when participating in swim activities.

Oftentimes kids are embarrassed that they don't have a swimsuit when enrolled in swim programs and they end up not participating fully or don't show up for classes. arena is helping the Y break down those barriers by providing high quality swimwear that will help improve confidence that will only grow as they get more comfortable in and around the water.

arena, recognized as one of the premium brands of high quality swimwear and equipment, is donating a total of 7,000 swimsuits to ten Ys throughout the country as part of their effort to make swimming more accessible to all children.

"As a brand driven by a passion for all aquatic sports, the YMCA's mission to save lives through learn to swim initiatives and introduce our sport to children in every community is something that is in direct alignment with arena's core values", said Steve Ozmai, Director of Marketing at arena. "We are honored to partner with such an iconic organization and help break down barriers for an entirely new generation of swimmers and water lovers."

According to data from the USA Swimming Foundation, 70 percent of African American and 60 percent of Hispanic children cannot swim, compared to just 40 percent of Caucasian children. While fatal drowning is a concern for all children – it's the second-leading cause of unintentional injury-related death for children ages one to 14 years old – African American children ages 5 to 14 are three times more likely to drown than their white counterparts.

Safety Around Water is a free program designed to engage and educate parents about the importance of water safety skills and provide more of America's youth access to water safety lessons. The program focuses on reaching underserved communities with a special emphasis on African American and Hispanic communities, where risk of drowning among children is highest.

Along with swimsuit donation, Ys around the country will award scholarships for free swim lessons to children in high-risk and underserved communities.

The Y introduced the concept of group swim lessons in 1909. Now, each year in 2,200 pools across the country, the Y teaches more than a million children from all backgrounds invaluable water safety and swim skills. Through Safety Around Water, the Y hopes to further bridge cultural and access gaps that can prevent some children from learning important water safety skills.

Families interested in learning more about Safety Around Water and how to enroll their child in local Y swimming and water safety classes should visit www.ymca.net/watersafety.

About the Y

The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living and social responsibility. Across the U.S., 2,700 Ys engage 22 million men, women and children – regardless of age, income or background – to nurture the potential of children and teens, improve the nation's health and well-being, and provide opportunities to give back and support neighbors. Anchored in more than 10,000 communities, the Y has the long-standing relationships and physical presence not just to promise, but to deliver, lasting personal and social change.

FIVE SIGNS

A CHILD IS STRUGGLING WITH SUMMER HUNGER

Summer can be an anxiety-provoking time for

16 million kids across the U.S. who are struggling with hunger at home. The end of every school year means lost access to free and reduced-price lunches that provide regular nutrition to growing bodies.

For a child who does not receive regular, healthy meals at home, the summer months may feel extra long. The result of summer hunger, especially over many years, can be devastating to children's physical, cognitive and social-emotional development. When kids are malnourished—or don't know where their next meal is coming from— they cannot focus, their academic performance may suffer and they are more likely to act out against peers and adults.

Here are a few common signs that a child may struggle with hunger:

1. They ask about food every day and they're not picky.

If a child seems fixated on meals or expresses consistent interest in when the next snack is being served, she may be struggling with hunger at home. While children are often hungry at regular eating times or following activities, pay attention to children who arrive at camp hungry and are rarely selective about what they eat.

2. They suddenly lose or gain weight.

Not all children who are hungry are thin. The result of lost access to regular nutrition can sometimes mean families are relying on low-price, low-quality processed food, junk food, or sugary snacks and beverages. If a child appears to be gaining weight in summer, a calorie-rich, nutrient-void diet may be to blame.

3. They hoard snacks and food.

If food is provided at your summer camp, pay attention to children who seem to take more than a fair share, ask for extra portions to take home or sneak snacks into their pockets. Children who do not know where their next meal is coming from may exhibit these types of hoarding food behaviors as a survival strategy.

4. They are bullying or behaving badly.

'Hanger' pains are real. As adults, we know that our concentration and moods are impacted by our hunger. Yet adults (more likely) have the coping skills and resources to manage appropriately. For kids, who are not yet fully developed, the inability to access food regularly can cause behavior issues that affect their camp peers and counselors. If a child is acting aggressively, picking fights with other children (especially over food or money) or seems distracted, he may be struggling with hunger. Similarly, a child who lacks energy throughout the day may also be going to bed on an empty stomach. Read more about how hunger affects children's behavior.

5. Their teeth are decaying.

A diet filled with sugar is the leading cause of tooth decay in young children. Lack of calcium is also a contributing factor. When children are not receiving proper nutrition at home and/or not receiving dental care, the warning signs can be seen on their smiling faces. Early-intervention can help prevent lifelong complications. »
