

WEDNESDAY PRELIM SESSION

Spectators Edition

For Prelims both ends of the pool will be used for starts. ODD heats will start at diving well end and EVEN heats will start at scoreboard end. Exceptions: all heats of 50 meter events except the 50 Back, will start at the scoreboard end of the pool; all heats of the 100M Backstroke, 200M Backstroke, 800M and 1500M Freestyles, the 200M relays, the 400M Medley Relay and the 800M relays will start at the diving well end of the pool. •

For Finals 50M events will start at scoreboard end of pool and all other events will start at diving well end of pool.

IN REMEMBRANCE ADOLPH KIEFER MEMORIAL FUND

Olympic Gold Medalist • Inventor • Entrepreneur
June 27, 1918 – May 5, 2017

In the last years of his life, Adolph Kiefer felt strongly that he wanted to make additional contributions to the swimming world and, in particular, one that would address financial need in the swimming community- similar to the circumstances he found himself in as a young swimmer in the 1920's.

Adolph might have known that he had already created a powerful legacy as an Olympic champion, saver of lives, inventor of essential swimming equipment, and businessman. He wanted his legacy to include a fund that would provide some help in the form of scholarship support to outstanding young people invested in swimming and swimming lessons for all.

ADOLPH KIEFER MEMORIAL FUND

At Adolph's request, the Kiefer family with the YMCA of the USA (YUSA) have established the Adolph Kiefer Memorial Fund to continue to foster his devotion and passion for swimming.

Through the generosity of Adolph and the Kiefer family, starting in 2018, the centennial of Adolph Kiefer's birth, the YUSA and the Adolph Kiefer Memorial Fund will present Outstanding Athlete Awards to one male and one female swimmer at the YMCA Short Course Nationals. These awards recognize two swimmers each year for their excellence in academic achievement and commitment to healthy living and social responsibility through YMCA competitive swimming

CONTRIBUTING TO THE FUND

Your gifts made in memory of Adolph Kiefer, to celebrate his contributions to swimming safety and instruction, will go towards financial assistance to local YMCAs and provide learn-to-swim lessons for children and families unable to afford them.

Click here, https://yusa.formstack.com/forms/adolph_kiefer_memorial_fund to donate to this fund and honor Adolph while supporting Adolph's and the YMCA's commitment to water safety for all.

FUN FACTS – ACADEMICS AND THE YMCA

MULTIPLE COLLEGES AND UNIVERSITIES HAVE HISTORICALLY HAD CONNECTIONS TO THE YMCA.

Springfield College, of Springfield, Massachusetts, was founded in 1885 as an international training school for YMCA Professionals. In 1891 James Naismith, a Canadian American, invented basketball while studying at the YMCA International Training School in Springfield, Massachusetts (later to be named Springfield College). Naismith had been asked to invent a new game in an attempt to interest pupils in physical exercise. The game had to be interesting, easy to learn, and easy to play indoors in winter. Such an activity was needed both by the Training School and by YMCAs across the country.

Concordia University started from night courses offered at the Montreal YMCA.

Northeastern University (Boston, Massachusetts) began out of a YMCA in Boston, and Franklin University began as the YMCA School of Commerce. San Francisco's Golden Gate University traces its roots to the founding of the YMCA Night School on 1 November 1881.

Detroit College of Law, now the Michigan State University College of Law, was founded with a strong connection to the Detroit, Michigan YMCA. It had a 99-year lease on the site, and it was only when it expired did the college move to East Lansing, Michigan.

Youngstown State University traces its roots to the establishment of a law school by the local YMCA in 1908. The Nashville School of Law was the YMCA Night Law School until November 1986, having offered law classes since 1911 and the degree of Jurist Doctor since January 1927.

YMCA pioneered the concept of night school, providing educational opportunities for people with full-time employment. Many YMCAs offer ESL programs, alternative high school, day care, and summer camp programs. In the India, YMCA University of Science and Technology Faridabad was founded in 1969. It offers various program related to science and engineering.

Which Fan are you?

The Seat Saver

I know I am saving the good seats, but I have friends who like to show up after the start of the session

The Screamer

I don't just cheer. I yell, screech, scream, and holler when my son swim. I'm very emotional. I have to be the loudest person in the stands or he won't hear me

The Sign Holder

Without a large sign, how will my daughter see me in the stands as she swims

The Photographer

I have an expensive camera, so I need to stand at the railing and take flash pictures at the start of my daughter's races

CHEER
CELEBRATE
INSPIRE
ENCOURAGE
RESPECT
ENJOY

The Noise Maker

I bought a horn so my son can hear my support even when his head is under water

The Respectful Spectator

I enjoy sitting with my friends but we all try to get to the stands well before the start of the session. I cheer for all the swimmers ... even swimmers from other teams who are on pace to break a record. I try to respect all the people who have volunteered to make this event a life long experience while also making sure my actions don't negatively impact the experience for other parents

**FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

THANK YOU!

YMCA of the USA is grateful to all involved in making the 2017 YMCA National Long Course Championship a special celebration of achievement for our athletes, coaches and families.

In addition to the Championship Committee, officials and volunteers who have given their time and talents, we would also like to thank the following supporters:
