2020 YMCA Short Course Nationals Housing Website

The Greensboro Convention and Visitors Bureau is excited to offer specially negotiated discounted group rates for 2020 YMCA Short Course National Swimming National Championships. Teams, families and individuals can benefit from reduced prices and included amenities such as breakfast, WiFi, free parking and more being offered at more than 20 local hotels.

In order to take advantage these discounts and amenities, please use the 2020 Short Course [Housing Website](#) to make lodging reservations (instead of contacting hotels directly). Teams can book several rooms individually directly on the site (using one credit card), or reserve a sub-block of rooms, and receive an individualized reservation link for their hotel of choice that can be accessed by team members and families.

Those reserving sub-blocks of rooms will need to allow 48 hours to receive their reservation link. After submitting top hotel preferences to the Greensboro CVB, team manager will receive an individualized reservation link for their team that can be shared with individuals and families needing to book a room as part of the group. The benefit of a sub-block and reservation link is that costs can be split between multiple credit cards, and all information is securely handled electronically and instantly instead of needing to submit payment information over the phone.

Any changes/cancellations to existing reservations made through the Housing Website can be handled directly electronically, unless increasing the number of rooms, as availability needs to be confirmed before rooms can be added.

If you have any questions or need assistance booking, please contact the Greensboro Convention and Visitors Bureau at 336-274-2282 and you will be connected with Michelle Withrow or other staff familiar with our 2020 YMCA Short Course Housing Website to help guide you.

To help make the search and selection process easier, feel free to review the summary of hotel options, prices and amenities included in this document. For more information including photos of properties, and to begin booking, please visit the [Housing Website](#). We look forward to having you stay with us in Greensboro once again for YMCA Short Course Nationals in 2020!
