## **Men's & Women's National YMCA Championship Meet Information Continued:**

### **Eastern Airlines Annual Outstanding YMCA Swimmer/Diver Participant Award**

This award was established in 1971 and is to be presented annually at the National YMCA Swimming and Diving Championships to the young man and young woman who best exemplify the ideals of YMCA Competitive Swimming and Diving and demonstrates the characteristics of a true champion. This award replaced the High Point Award which was given to the swimmer who scored the most points (relay points did not count in the National Championship meet each year). This award is not intended to be a high point award, but rather a tribute to two young YMCA athletes who by virtue of their attitude, team spirit, and dedication to their sport provide encouragement, inspiration and guidance to those whose lives they touch.

Each recipient will receive a 16-inch trophy to keep. There will also be a 36-inch trophy that will remain at the International Swimming Hall of Fame and the names of the recipients will be added to it each year.

#### **Year Female Recipient**

1971 Cathy Kriegshauser, *Ferguson-Ritenour, Mo*

#### **Male Recipient**

Rick Roberts, *Kokomo, IN*
