

NEW TO GREENSBORO & YMCA NATIONALS...YMCA ATHLETE'S VILLAGE!

For the first time, the National Championships will have a designated area exclusively for Teams and their Athletes competing in Greensboro. We are excited to offer this opportunity that will include an activity area, live jumbo video screen feed to the meet, electrical and WI-FI access and concessions area! Here's how it will work:

- At Registration, each team will be given a 3X5 Card with an 'A', 'B', or 'C' based upon the size of your Team.
 - ✓ A = Four large tents in the middle area -10x20's. This is for all Teams with **less than 5** swimmers (TBD at registration check in)
 - ✓ B = Single 8 x 10 booths for **5 to 15** swimmers
 - ✓ C = Double Size booths for **16+** swimmers
- The Team will take the Card to HALL A/Athlete's Village where Y Athlete Village Support Volunteers will direct them to booth areas available.
- All Teams will be located geographically by Region (Northeast, East, Midwest and West) so that athletes might better connect with those they may know and have competed with.
- Bring your folding chairs, blankets, sleeping bags and other items that will make this **'HOME BASE'** over the course of competition week. You can even get creative and bring signage and decorations that will make your area fun, comfortable and welcoming to each team member!
