

Procedure for Coaches Picking up Pre-ordered Parking Passes

This note is intended to give all YMCA coaches who ordered parking passes information about where to park prior to picking up their parking pass. We have just learned you will not be able to access our assigned parking spaces in the Sports Garage without your parking pass in your possession as you enter the garage.

If you plan to pick up your Parking Pass on **Sunday, July 27**:

- Park in the Riverwalk Garage located at 245 University Blvd. This garage is just south of the Sports Garage.
- You may enter this garage without having possession of a parking pass.
- You may park in any non-reserved parking space on Sunday.
- There will be a table in the North Concourse of the Natatorium where you may pick up your parking passes between 10 am and 6 pm. Please plan to show identification.
- Your parking pass will permit you to exit the Riverwalk Garage without any additional charges.

If you plan to pick up your Parking Pass on **Monday, July 28 or a day later in the week**:

- Park in the Riverwalk Garage located at 245 University Blvd. This garage is just south of the Sports Garage.
