ATHLETE ELIGIBILITY:

Times: An athlete must achieve the minimum qualifying time standard for each National Championship Meet event in which he/she enters. The qualification period for the Long Course National Championship Meet is July 1, 2014 through entry deadline.

Athletes With A Disability: YMCA Member-Athletes with a disability who meet the eligibility requirements for the National YMCA Swimming Championships but do not meet the time standards for able-bodied athletes may compete in the Long Course YMCA National Championships provided they meet or surpass the Can-Am Para Swim time standard in their class. Additionally, athletes must be classified prior to National YMCA competition and swim the qualifying time(s) during the same calendar periods as their able-bodied peers. Classification will not be conducted at the YMCA National Championships. YMCA Member-Athletes with a disability will be seeded with their actual time, not at N.T. or the slowest non-conforming time but they will be seeded in the first heats.

Classification: The Official website of the Paralympic Movement is:
<http://www.paralympic.org/>

Standards: Time standards can be found at:
https://www.swimming.ca/docs/Time%20Standards/2012-2016%20CanAm%20Stds%20SC_LC.pdf

YMCA Membership: An athlete must be a full privilege member of the YMCA he/she represents, and have only represented that YMCA team in competition for a period of 90 days prior to entry deadline, excluding scholastic competition.

Amateur Status: An athlete may not have represented a college, university or other post-high school institution in any competition and may not have accepted pay or compensation for competing as a swimmer.

A sanctioned YMCA championship meet may not be counted as both the sanctioned meet required and one of the inter-association meets required. The YMCA National Virtual Meet may be counted as one of the inter-association meets. Refer to current SWIMMING ADDENDUM to the RULES that GOVERN YMCA COMPETITIVE SPORTS for requirements and definitions of YMCA inter-association and sanctioned championship meets.

Protest: Coaches should be prepared to provide proof of their athletes' meet participation if a protest is filed.

YMCA with no swim team: If a YMCA does not sponsor a swimming team, an eligible athlete from that YMCA may participate in the National Championship Meet representing his/her own YMCA, provided the entry is approved by that YMCA's executive director or CEO, the regional representative in that region and by the Championship Meet Eligibility Committee.

PROOF OF TIMES

USA-S SWIMS: If the swimmers' entry times cannot be verified in the USA-S SWIMS database, then they are subject to being randomly selected for proof of the entry time. A 15% or less random sampling of entry times not reconciled against USA-S SWIMS will be selected for Proof of Times

The teams randomly selected will be notified via email within 3 days after the Entry deadline. The email address to be used is the email address entered during the On-line Entry Process. The selected teams will also be posted at <http://www.ymcaswimminganddiving.org/>. Only the specifically selected times must be proved.

The following times must be proved by all teams during Check-In:
All ADDITIONAL ENTRIES (from meets July 27 – August 2)

50 Meter Qualifying Entry times for the 50's of stroke, if no corresponding 100/200 event is entered (must also prove a 100 or 200 time)

All proof of times will be performed during the Meet Check-in process. Do not send proof of times to the Entry Chair or Meet Director.

The entered time (seed time) must be proven to the hundredth of a second. It is permissible to prove a faster time. However the time will not be changed to a time faster than the entered time even if the faster time can be proven.

Failure to have proof will result in elimination of that athlete from that specific event unless heats have been seeded, in which case it counts as an event and they may not swim in it.

Proof must be from meet results. Proof may be printed from the USA-SWIMS database. Meet results from YMCA sanctioned meets not in the USA-S-SWIMS database must have printed meet results.

Coaches are reminded that other factors may require that a team may have to prove USA-S non-reconciled times. This includes, but is not limited to, a protest from another coach.

PROVING A RELAY TIME: The intact relay time or individual times that comprise a composite entry time must be proved. If the intact time was achieved between July 1, 2014 and August 31, 2014, then the members of that relay must also be entered on the team's official entry. If a composite time is used, all athletes in the composite must be entered on the team's official entry.

MISSTATED TIMES: If a time is misstated in an event, the proven time will be accepted provided proof can be shown that the athlete's time is at or below the Time Standard for that event. A penalty fee for misstated times will be \$25.00 per individual event and \$50.00 for relays. Misstated times will be corrected providing the scratch box has not been closed for that day. No penalty fee for misstated letters (Y, S or L).

Under no circumstances will a time-change be accepted that is faster than the seed time entered during the on-line entry process, even if a faster time can be proved.

CHAMPIONSHIP PROCEDURES

HEAT SHEETS: Coaches may pick up their session heat sheet at the HELP Desk on the pool deck. Officials will pick up their Heat Sheet in the officials' meeting for the session.

WARM UP AND POOL ENTRY

During designated warm up sessions, athletes may only enter:
the competition pool from the south end (diving pool end),
the 50 meter Warm-Up Cool Down pool from the East end,
the 25 yard Diving well pool from the East end

At all times other than competition, athletes are expected to use a three-point entry in which they sit on the side of the pool then slide into the pool gently, with one hand on the wall.

There is one exception to the above, during specific warm up periods when one way sprint lanes are specified, racing starts may be used and entry in the sprint lane is from the end specified.

Coaches are responsible for the safety of their athletes and are expected to monitor them at all times during warm up sessions. Teams will need to share lane space and work cooperatively in reflection of YMCA values and sportsmanship.

SCRATCH PROCEDURES: An athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete's total number of events for the meet. The USA-S scratch procedures (USA-S Rule 207.11.6) will be followed, as modified for this Meet and set forth below: Scratch cards will be available from the Scratch Desk or the HELP Desk both located on the pool deck.

SCRATCHING FROM PRELIMINARIES: The athlete or coach must complete and submit a Scratch card to the Scratch Desk the day prior to the event.

DECLARED FALSE START: An athlete may also withdraw from a preliminary heat or swim-off by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

NO SHOW: An athlete who is seeded in a preliminary event and fails to compete (i.e., a "no show") shall not compete in any further individual or relay events on that day unless the athlete and/or coach declares an intent to swim to the Administrative Referee prior to the next scheduled event for the athlete.

In addition, the athlete shall not be seeded in any individual events on succeeding days unless that athlete and/or coach declares intent to swim prior to the close of the scratch box for the next day's events.

(Note that under USA-S rules, a no show is automatically barred from all further individual and relay events for that day (USA-S Rule 207.11.6C); we are easing that burden, particularly for relay swimmers.)

SCRATCHING FROM A TIMED FINALS EVENT: Athletes may scratch from a timed finals event in accordance with the procedures for Scratching from Preliminaries.

SCRATCHING FROM FINALS: For an athlete initially qualifying for the A, B, or C Finals, the swimmer or his/her coach, must notify the scratch table within 30 minutes following the announcement of his/her name as a finalist that he/she will not compete in Finals in that event.

If there have been scratches from a final event, the Administrative Referee will attempt to notify the alternate(s). If notified, the alternate(s), or their coaches, will then have to return to the Scratch/Relay table to confirm whether they will swim in or scratch from the Finals of that event.

Failure to compete in a Finals Event from which the athlete has not scratched shall bar the athlete from further competition for the remainder of the meet (USA-S Rule 207.11.D(1)). However, no penalties shall apply for failure to compete in finals if the referee is notified in the event of injury or illness and accepts the

proof thereof, or it is determined by the referee that failure to compete is caused by circumstances beyond the control of the athlete.

DECLARATION OF INTENT TO SCRATCH: An athlete qualifying for A, B, C finals (or his/her coach), based upon the results of the preliminaries in an event, may notify the Scratch/Relay table within 30 minutes after announcement of the qualifiers for that event that he/she may not compete in the finals of the event, pending the results of a subsequent individual preliminary event in which he/she is entered. The athlete (or his/her coach) must declare his/her final intentions within 30 minutes following their last individual preliminary event (USA-S Rule 207.11.E(2)). If the athlete (or his/her coach) does not declare his/her final intention, it will be assumed the athlete has chosen not to scratch from the finals of the original event. If the athlete then fails to compete in this Finals Event, he/she shall be barred from further competition for the remainder of the meet (USA-S Rule 207.11.D(1)).

PROTESTS: Protests may only be initiated by a person with standing, that is, a coach or YMCA supervisor whose team is competing in the meet.

Eligibility protests (prior to the meet and at the meet) will be heard by an Eligibility Committee. The Eligibility Committee will investigate and make a recommendation to the Meet Committee.

The USA-S protest procedures (USA-S Rule 102.23) will be followed, as modified for this Meet, and set forth below:

All protests must be made using the Protest Form and delivered to the Meet Referee. Protest Forms can be obtained from the Help Desk.

For protests made prior to a race, concerning the eligibility of an athlete(s) to compete, the Eligibility Committee will endeavor to resolve the protest before the start of the race in question. If the Eligibility Committee cannot resolve the issue before the race is swum, the affected athlete(s) shall be allowed to swim under protest and that fact shall be announced.

All other protests must be made to the Meet Referee, using the Protest Form, within 30 minutes after the conclusion of the race in which the alleged infraction occurred.

Protests against the judgment decisions of starters, stroke, turn, place and relay take-off judges can only be considered by the Referee and the Referee's decisions will be final. Any questions concerning judgments by deck officials should first be addressed to the particular Deck Referee, and then to the Meet Referee, as appropriate.

The Meet Committee will consider all other protests lodged against the Meet, and its decisions will be final.

The results of any protested race will not be announced, any awards will not be given and any points will not be allocated until the protest is resolved or withdrawn, in writing.

SAFETY AND EMERGENCY PROCEDURES

Medical personnel will be available to handle emergencies at the meet. These individuals will provide CPR and first aid as needed and will ensure that individuals with serious injuries are transported immediately to the nearest hospital for further treatment. Defibrillators will be on site.

Any coach, athlete or official who recognizes an emergency situation should immediately inform IUPUI Aquatic Center personnel and then make sure the vicinity of the emergency is clear for the emergency personnel to do their job.

CONCUSSION AWARENESS: YMCA of the USA and the National Championship Meet Committee are aware of the growing concern around concussion management. It is our responsibility to ensure safety of our athletes at these events. All parents and athletes are required to complete the Concussion Awareness Form and their head coaches will submit those forms at Team & Coaches Check-in. All coaches and officials are advised to complete the on-line concussion training offered on the NFHS website or the CDC website

Anyone who observes or has knowledge of a potential head injury should immediately notify lifeguards and/or hired medical personnel. Once the injury report is completed, the lifeguard and/or hired medical personnel will notify the Event Staff, the athlete's coaching staff, the Meet Director, and the YMCA of the USA National liaison.

If a head injury occurs at a National Championship event, the 4 step action plan will be followed.

STEP 1: Athlete is removed immediately from participation by the Meet Director and/or YMCA of the USA national liaison.

STEP 2: Athlete must be evaluated by a licensed health care professional experienced in identifying and treating concussions. In addition, the athlete must be in compliance with the laws that are in effect within the jurisdiction where the meet is held.

STEP 3: The coaching staff will inform the athlete's parents or guardians about the possible concussion and give or send them the fact sheet on concussion.

STEP 4: The athlete will not be allowed back to warm-up or compete on the day of injury and will be barred from the competition area until a health care professional, experienced in evaluating concussions determines that the athlete is symptom-free and is OK to return to participation.

LIGHTNING POLICY: The National Lightning Safety Institute, National Athletic Trainers Association, American College of Emergency Physicians, USA Swimming, and YMCA of the USA all recommend or require closing an indoor pool during an electrical storm. Reasonableness would require closing the pool as part of our prudent risk management.

TIME TRIALS

FORMAT AND FEE: Time Trials are open ONLY to athletes entered in the Championship meet. The Time Trial Sessions will begin approximately 30 minutes after the preliminaries. Each athlete is allowed to enter a total of two (2) Time Trials events for the meet, limited to no more than one per day. Any athlete entering Time Trials must have met the Time Trials Standard. The Time Trial event fee is \$15 per event entered.

An athlete may only swim the stroke being contested in a Time Trials event, e.g. an athlete may not swim backstroke in a breaststroke event in Time Trials.

Once an athlete is entered into Time Trials and fees paid, there is no refund of the fees if the athlete decides to scratch from the Time Trials event.

The number of Time Trial entries will be limited so that the Time Trial session will be complete by 2:45 PM each day. Should weather or other exceptional circumstances delay time trials, we reserve the right to terminate the time trial session if it will run past 3:00 PM. This is necessary to ensure an orderly transition to the evening Finals Session.

TIME TRIAL ENTRIES: Time Trials may be entered On-line or during the meet. On-line entry is encouraged and will be given priority in the event of time restrictions. For on-line entry, the Time Trials event list is separate from the regular meet. Payment for all On-Line entered Time Trial entries must be made at Team Check-in or prepaid via the On-line Payment system (if the Time Trial entries were made prior to the Championship Entry Deadline)

For entry during the meet, individual and team entry forms will be available at the HELP Desk or the TIME TRIAL Desk. Completion of these forms in advance will save time for the coach and the time trial desk. Payment for Time Trial entries made during the meet can be made at the Time Trial Desk by cash and/or check. Make checks payable to: **YMCA of the USA-2015 Long Course.**

SCRATCHING FROM TIME TRIALS: If you know a previously entered athlete will not compete in a Time Trials, please inform the Time Trials Desk prior to 10 AM on the day of the Time Trials. While there will be no refund, your effort to remove the athlete prior to seeding will increase the efficiency of the time trials.

TIME TRIAL PROCEDURE: Each morning after Time Trial entries have been completed (~11:00 AM), the psych sheet for that day's Time Trials will be posted. An announcement will then be made by the announcer asking coaches to review their Time Trial entries for today.

Coaches should review the psych sheet to insure their entries are correct. If they find any errors they should report them promptly to the Time Trials Desk. Approximately 30 minutes after the posting of the psych sheet, the Time Trials Desk will stop taking updates and begin the seeding process for the Time Trials.

If an error is discovered after Time Trials have been seeded, an athlete will only be entered into an event if there is an empty lane. It is incumbent upon the coach to find and report errors during the review period in order to ensure their athletes get in their desired events with correct seeding.

OFFICIALS AND TIMERS

To properly conduct a championship meet of this magnitude requires that a large number of officials be available to staff the deck each day. There is a need for both YMCA Level I and YMCA Level II Officials each day at Preliminaries and Finals. All officials attending the meet are strongly encouraged to sign up to work at this meet.

In order to bring a high degree of consistency to the officiating, officials are asked to work as many sessions as possible, but at least four sessions over the course of the week. Officials working at the Preliminaries will receive breakfast and lunch in the Hospitality Room.

BACKGROUND CHECKS: All applicants to officiate or time should be aware IUPUI has adopted a Programs Involving Children policy which by contract requires the Meet Committee to perform background checks on Coaches, Officials, Timers and Volunteers who will be on deck.

APPLICATION TO OFFICIATE: Anyone wishing to officiate for the swimming events in the meet should complete the form available on web site and then may apply to: Email: rickcarson209@gmail.com , Postal: Rick Carson Box 209 St. Peter's, Pa 19470.

TIMER REQUIREMENTS: It may be necessary to solicit volunteer timers, in which case timing assignments will be made based on the number of athletes entered in the meet by the larger YMCA teams. In such a case, the selected YMCAs will be notified within two days after the Entry Deadline of their assigned timer responsibilities. It will then be the responsibility of the Head Coach or team volunteer coordinator to provide a list of the volunteers to fill the assigned Timer slots at Registration. Volunteer Timers will be expected to attend the Officials meeting immediately before the session at which they are timing. If volunteer Timers are requested, to the extent possible, it would be helpful if such volunteers could work more than one session.

OFFICIALS REGISTRATION AND PRE-MEET MEETING: All officials working the meet should register at Official's Registration. Official's registration will be in the Officials' Room beginning on Monday and throughout the week. At registration the officials will receive their credentials, shirts and instructions.

For those who register to officiate, there will be a MANDATORY meeting on Monday at 3:00 pm and each day prior to each Prelims and Finals session.

ATTIRE: The uniform for the Preliminaries will be the appropriate colored meet shirt (provided by meet committee) and **khaki** shorts, skorts or skirts (no shorter than 4" above the knee).

The uniform for Finals will be a white shirt provided by the Meet Committee and long **blue** pants (no shorts, skorts or skirts please).

Officials who worked the short course meet are asked to bring their orange, purple and white shirts for reuse at this meet.

Officials will only be admitted to the pool complex with appropriate credentials (issued at Officials registration). These credentials must be displayed at all times. Officials are only admitted to the deck for sessions that they are working. Officials will be charged for seats in spectator seating for sessions that they are not working.

CLASSES FOR OFFICIALS: Training classes will be offered for officials and trainers at the meet. See Officials Schedule for specific times and locations. Courses offered are: Swim Officials Trainer Training, Facilitation Skills for Trainers, Swim Officials Level I Training, and Swim Officials Level II Training.
