YMCA of the USA 2016 Travel Assistance Guidelines

YMCA-of-the-USA recognizes the commitment an athlete makes to training and competing in swimming and diving competitions. We realize the financial strain these competitions can have on families. The YMCA-of-the-USA hopes to alleviate some of the financial pressures associated with participation by making financial assistance available to local YMCA's to help offset an athlete's **transportation and lodging expenses** to a YMCA National competition event.

***Note:** Local YMCA matching funds are no longer required.*

Travel and lodging financial assistance **shall not exceed \$600.00 per applicant**. The funds will be distributed to the athlete's local YMCA by the YMCA-of-the-USA approximately 30 days after the YMCA National competition.

Eligibility Requirements:

1. The local YMCA must be in compliance with "The Rules that Govern YMCA Competitive Sports" and in good standing with YMCA-of-the-USA.
2. The local YMCA is currently providing the applicant or applicant's family with financial assistance.
3. The Travel Assistance Request form (see below) must be completed. The local YMCA must specify the level of financial need they are requesting to help offset the applicant's travel and lodging expenses (note: a fund request cannot to exceed \$600 per applicant).
4. The Head Coach must provide proof that the applicant has qualified for the YMCA National competition.
5. The local YMCA Executive Director and Head Coach must submit a signed letter(s) supporting and recommending the applicant's participation
 - A statement indicating why a request for financial assistance is needed.
 - A statement of support and/or recommendation for the applicant.
