VOLUNTEERS/OFFICIALS/TIMERS

OFFICIALS AND TIMERS: A large number of officials are needed to properly handle a meet like this with multiple pools and sessions. There is a need for both YMCA Level I and YMCA Level II Officials during Preliminaries, Finals and Time Trials each day. All officials attending the meet are strongly encouraged to sign up to work at the meet.

In order to bring a high degree of consistency to the officiating, officials are asked to work as many sessions as possible, but at least four sessions over the course of the week. Officials working at the Preliminaries will receive breakfast and lunch in the Hospitality Room.

APPLICATION TO OFFICIATE: Anyone wishing to officiate for the swimming events in the meet should complete the application form available on web site

<http://ymca.ymcaswimminganddiving.org/2017SC>

and then forward it to the Committee as follows:

Email: rmenckiii@gmail.com

Surface Mail: Bob Menck, 10 Dynasty Drive, Milford, MA 01757

TIMER REQUIREMENTS: It may be necessary to solicit volunteer timers, in which case timing assignments will be made based on the number of athletes entered in the meet by the larger YMCA teams. In such a case, the selected YMCAs will be notified within two days after the Entry Deadline of their assigned timer responsibilities. It will then be the responsibility of the Head Coach or team volunteer coordinator to provide a list of the volunteers to fill the assigned Timer slots at Registration. Volunteer timers will be expected to attend the Officials meeting immediately before the session at which they are timing. If volunteer Timers are requested, to the extent possible, it would be helpful if such volunteers could work more than one session.

OFFICIALS REGISTRATION AND PRE-MEET MEETING: All officials working the meet should register at Official's Registration. Official's registration will be held in the Special Events Center/Registration Room beginning on Day 1 and throughout the week. At registration the officials will receive their credentials, shirts and instructions.

For those who register to officiate, there will be a mandatory meeting on Day 1. After Day 1, there will be a mandatory briefing in the official room in the Special Events Center prior to each session.

2017 YMCA Short Course Nationals April 3-7, 2017

Officials will only be admitted to the pool complex with appropriate credentials (issued at Officials registration). These credentials must be displayed at all times. Officials are only admitted to the deck for sessions that they are working.

CLASSES FOR OFFICIALS: Training classes will be offered for officials and trainers at the meet. See Officials Schedule for specific times and locations. Courses offered are: Swim Officials Trainer Training, Facilitation Skills for Trainers, Swim Officials Level I Training, and Swim Officials Level II Training.

The head coach (or coach in charge of the team) should complete the check-in process. Attending assistant coaches identified during the on-line entry process do not need to participate in the check-in process.

Note: After Monday's Check-in, teams/coaches may check-in at designated times during the meet. The process will be the same, but there will be no individual stations.

ATTENDING COACHES UNABLE TO BE LISTED DURING ON-LINE ENTRY PROCESS: Any coach, who was not able to be selected as attending the meet during the on-line entry process, must also complete this Check-in process at the meet. Note: A deck fee of \$60 will be assessed and the coach must show current proof of certifications. You will need to complete the registration process at Coach check-in.

CHECK-IN HELP STATION (Station # 1): Coaches may drop off their signed Photo release form (required by all coaches at this Station).

If the coach did not have their Insurance Certificate sent to YMCA of USA in Chicago, he/she must present it at the Coaches Check-in Help Station.

If a coach did not Fax their signed Declaration form prior to arriving at the meet, he/she must present this information at this station.

In addition, if the coach has any questions about the process, he/she should stop at this station.

PROOF OF TIMES STATION (Station #2): If the Team has been selected for Proof-of-Time for one or more of their entries, the coach must proceed to the Proof of Times station before proceeding to the Coach Check-in Station. See Proof of Times section for details on selection process and proving times.

If the coach has identified an error in their entries, he/she should also stop at this station.

Scratch and relay cards will be available and accepted at this station.

COACH CHECK-IN STATION (Station #3): All coaches must stop at this station to Check-in. Information is collected and several forms will be printed. An invoice will be printed for the meet entries fees that the coach will need to present

2017 YMCA Short Course Nationals April 3-7, 2017

at Station #4. A Team pickup form will be printed that the coach needs to present at Station #5.

PAYMENT STATION (Station #4): The head coach presents the invoice (from Station #3) and pays team entry fees by cash or check, unless fees were paid on-line by credit card. Make checks payable to: YMCA of the USA-2017 Short Course.

PICK-UP STATION (Station #5): The head coach presents the team pick-up form (from station #3) and all Parent Consent and Liability Waivers and Concussion Awareness Forms for his/her athletes. The coach will receive the athlete credentials, athlete gifts, team information packet, coaches' gift, and coaches' deck passes.

NEW COACHES MEETING: All new coaches (not just new teams) are invited to meet at the New Coaches Meeting to go over meet procedures and answer any questions they may have in regards to the national meet.

COACHES MEETING: At least one Coach from each team is expected to attend the Coaches Meeting on Monday. Rules and procedures will be reviewed along with introductions of the Championship Meet Committee and the Facilities staff.

PROOF OF TIMES: USA-S SWIMS: If the swimmers' entry times cannot be verified in the USA-S SWIMS database, then they are subject to being randomly selected for proof of the entry time. A 15% or less random sampling of entry times not reconciled against SWIMS will be selected for Proof of Times

The teams randomly selected will be notified via email within 3 days after the Entry deadline. The email address which will be used is the email address entered during the On-line Entry Process. The selected teams will also be posted at <http://ymca.ymcaswimminganddiving.org/displaypage.asp?Cat=2017SC>. Only the specifically selected times must be proved.

All proof of times will be performed during the Meet Check-in process. Do not send proof of times to the Entry Chair or Meet Director.

The entered time (seed time) must be proven to the hundredth of a second.

Failure to have proof will result in elimination of that athlete from that specific event unless heats have been seeded, in which case it counts as an event and they may not swim in it.

Proof may be printed from the SWIMS database. Results for meets not in SWIMS must be official printed meet results.

High school swim meets are swum under NFHS rules, which differ from the USA-S technical rules in a number of areas. For a time from a high school meet to be

2017 YMCA Short Course Nationals April 3-7, 2017

accepted, that meet must have been observed by USA-S or YMCA officials in accordance with USA-S Rule 202.7. The printed results of the event must show the USA-S Observed Meet number issued by the LSC and must be signed by one of the USA-S or YMCA observers.

Coaches are reminded that other factors may require a team to prove USA-S non-reconciled times. This includes, but is not limited to, a protest from another coach.

PROVING A RELAY TIME: The intact relay time or individual times that comprise a composite entry time must be proved. If the intact time was achieved between March 1, 2016 and September 1, 2016, then the members of that relay must also be entered on the team's official entry. If a composite time is used, all athletes in the composite must be entered on the team's official entry.

MISSTATED TIMES: If a time is misstated in an event, the proven time will be accepted provided proof can be shown that the athlete's time is at or below the Time Standard for that event. A penalty fee for misstated times will be \$25.00 per individual event and \$50.00 for relays. Misstated times will be corrected providing the scratch box has not been closed for that day. There will be no penalty fee for misstated letters (Y, S or L).

Under no circumstances will a time-change be accepted that is faster than the seed time entered during the on-line entry process, even if a faster time can be proved.

ATHLETE VILLAGE: We are asking swimmers to use the Athletes Village located in the Special Events Center during Preliminaries whenever they are not swimming. With 1,400 or more athletes attending the competition, the pool deck is too crowded to accommodate everyone. Your cooperation will give each athlete an opportunity to do their best.

Teams with 4 or fewer swimmers will be assigned to a large common area. A Coach who wishes to have a dedicated area may contact David Hoover (Greensboro Aquatic Center, Event Coordinator). David's email address is: david.hoover@greensboro-nc.gov. Please make sure you reference the YMCA Short Course National Championship in your email. Only a coach may make the request to David.

We will continue to assign teams with five or more athletes to a dedicated area within the Athletes Village.

CHAMPIONSHIP PROCEDURES AND OPERATIONS

CHAMPIONSHIP COMMITTEE: The Committee is listed in Appendix 3

RULES: The meet will run under YMCA Rules that Govern Competitive Sports, Addendum to the YMCA Rules that Govern Competitive Sports, and USA-S Technical Rules.

RESPONSIBILITY OF COACHES AND ATHLETES: It shall be the responsibility of the coaches and athletes to acquaint themselves with all information pertaining to swim-offs, final events, and their participation therein, and other related meet data including scratch procedures.

MEET FORMAT: The meet will be swum using a Timed finals and Preliminaries & Finals format depending on the event. Swimmer's age will be determined as of first day of the meet.

EVENT SEEDING: Events will be seeded Slowest to Fastest (except the 1650 and 1000 freestyle) with non-conforming entry times (long course meter and short course meter) seeded first. The Meet Referee/Administrative Official reserves the right to combine heats.

HEAT SHEETS: Coaches may pick up their session heat sheet at the HELP Desk on the pool deck. Officials will pick up their Heat Sheet in the officials' meeting for the session.

WARM UP AND POOL ENTRY: During designated warm up sessions, athletes may only enter the competition pools from the starting end. At all times other than competition, athletes are expected to use a three-point entry in which they sit on the side of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm up periods when sprint lanes are designated for practicing racing starts.

Coaches are responsible for the safety of their athletes and are expected to monitor them at all times during warm up sessions. No team has exclusive rights to any pool lanes during warm up period, during or before the start of the meet. Teams will need to share lane space and work cooperatively in reflection of the YMCA values and sportsmanship.

RELAY CHECK-IN PROCEDURE: Preliminaries –Teams will not need to file a relay form for preliminaries if the same swimmers who were entered during the on-line entry process will swim in preliminaries in the same order as entered. If the swimmers in preliminaries are different than the swimmers entered on-line (or in a different order), then a relay form must be filed.

2017 YMCA Short Course Nationals April 3-7, 2017

Preliminaries – Relay forms will be available at the Proof of Times table during registration or at the Scratch/Relay table and HELP Desk during the meet. The head coach shall list the team name and the competing relay swimmers (last and first names) in the order that they will swim. Relay entry forms for Preliminaries must be turned in to the Scratch/Relay table 30 minutes before the scheduled start of the relays. Relay changes may be declared at any time prior to the start of the heat, but the coach **MUST** submit a “change” relay card to the Deck Referee prior to the start of the relay’s heat.

Finals -Teams qualifying for finals will not need to file a relay form for finals if the same Swimmers who swam in preliminaries will swim the same order in finals. If the swimmers in finals are different than the swimmers in preliminaries (or in a different order), then a relay form must be filed. All other instructions and conditions shown above shall apply.

Note: Relay swimmers are not required to bring a copy of the relay card to the blocks before their race.

SCRATCH PROCEDURES: An athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete’s total number of events for the meet. The USA-S scratch procedures (USA-S Rule 207.11.6) will be followed, as modified for this Meet and set forth below: Scratch cards will be available from the Scratch table and the HELP Desk both located on the pool deck.

SCRATCHING FROM PRELIMINARIES: The athlete or coach must complete and submit a Scratch card to the Scratch table by 5:00 PM on the day prior to the event. For the Day 1 events, the Scratch table will close at 3:00 PM on Day 1.

SCRATCHING FROM A TIMED FINALS EVENT: Athletes may scratch from a timed finals event in accordance with the procedures for Scratching from Preliminaries.

SCRATCHING FROM FINALS: For an athlete initially qualifying for the A, B, or C Finals, the swimmer or his/her coach, must notify the scratch table within 30 minutes following the announcement of his/her name as a finalist that he/she will not compete in Finals in that event.

If there have been scratches from a final event, the Administrative Referee will attempt to notify the alternate(s). If notified, the alternate(s), or their

2017 YMCA Short Course Nationals April 3-7, 2017

coaches, will then have to return to the Scratch/Relay table to confirm whether they will swim in or scratch from the Finals of that event.

Failure to compete in a Finals Event from which the athlete has not scratched shall disqualify the athlete from the remainder of the meet. However, no penalties shall apply for failure to compete in finals if the referee is notified in the event of injury or illness and accepts the proof thereof, or it is determined by the referee that failure to compete is caused by circumstances beyond the control of the athlete.

DECLARATION OF INTENT TO SCRATCH: An athlete qualifying for A, B, C finals (or his/her coach), based upon the results of the preliminaries in an event, may notify the Scratch/Relay table within 30 minutes after announcement of the qualifiers for that event that he/she may not compete in the finals of the event, pending the results of a subsequent individual preliminary event in which he/she is entered. The athlete (or his/her coach) must declare his/her final intentions within 30 minutes following their last individual preliminary event (USA-S Rule 207.11.6E(2)). If the athlete (or his/her coach) does not declare his/her final intention, it will be assumed the athlete has chosen not to scratch from the finals of the original event. If the athlete then fails to compete in this Finals Event, he/she shall be barred from further competition for the remainder of the meet (USA-S Rule 207.11.6D(1)).

DECLARED FALSE START: An athlete may also withdraw from a preliminary heat or swim-off by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

NO SHOW: An athlete who is seeded in a preliminary event and fails to compete (i.e., a "no show") shall not compete in any further individual or relay events on that day unless the athlete and/or coach declares an intent to swim to the Administrative Referee prior to the next scheduled event for the athlete.

In addition, the athlete shall not be seeded in any individual events on succeeding days unless that athlete and/or coach declares intent to swim prior to the close of the scratch box for the next day's events.

(Note that under USA-S rules, a no show is automatically barred from all further individual and relay events for that day (Rule 207.11.6C); we are easing that burden, particularly for relay swimmers.)

2017 YMCA Short Course Nationals April 3-7, 2017

STARTS: 'Fly-over' starts will be used at this meet for Preliminaries and Time Trials.

SWIM-OFFS: In the event a swim-off is necessary, the meet Admin Official will set a time for the swim-off which will not be any later than 45 minutes after the last heat of any event in which any of the swimmers in the swim-off is competing. (USA Swimming Rule 102.5.2).

TIMING: The timing of all swimming events will be posted to the hundredths of a second. In the case of a tie to the hundredths of a second in a preliminary event, swim offs will be scheduled, as necessary, in accordance with Rule 102.5.2.

INITIAL SPLITS: Coaches desiring a time for an initial split in an individual or relay event must complete the appropriate form and present it to the Deck Referee prior to the swim in question so that additional timers can be provided as a back-up to the timing system. Forms are available at the HELP Desk. Coaches may be asked to provide one or more timers for their athletes.

HELP DESK: General meet information, Heat Sheets, Bio Forms, Facility Information, Relay Change Cards, Requests for a Time for Initial Split, etc. can be obtained at the HELP Desk, located on the pool deck outside the First Aid room.

DISTANCE EVENTS: 1,000 and 1,650 yards Freestyle distance events are timed finals and are swum fastest to slowest. The Deck Referee may combine the slowest heats if warranted.

For the 1,650 Freestyle, the top 8 seeded competitors (men and women) will swim in the Finals at night.

For the 1,000 Freestyle, All heats will be swum on the evening of Day 1

The 800 Yard Freestyle Relay is a Timed Final with the fastest 2 seeded heats for men and women swimming at night. Preliminary heats will be swum fastest to slowest.

FINALS: For Individual events, the heat order is "C"-Heat (bonus heat), followed by "B"-Heat (consolation heat), and followed by "A"-Heat (finals heat) with the exception of the 1,650 freestyle where only an "A" Heat will be swum.

For Relay events, the heat order is "B"-Heat (consolation heat) followed by the "A"-Heat (finals heat).

PARADE OF ATHLETES PROTOCOL: We are all blessed to be a part of the rich history and tradition that makes up the YMCA National Swimming Championships. One feature that separates this meet from other National Championships is the Athlete's Parade. The splendor of the parade helps to make YMCA Nationals a unique and unforgettable experience.

The parade is also a powerful vehicle to promote our image and values, and to preserve the tradition of the YMCA National Championships. It provides each team with a unique opportunity to represent its identity within the YMCA Championship meet theme. We are looking for our athletes to add to the meet experience and showcase something special about their state, league or YMCA.

In choosing to take part in the parade, our athletes are not only representing themselves. They are also representing their coaches, their home YMCAs, their state, and YMCA swimming as a whole. We ask that our coaches and team leadership work with their athletes to ensure that our parade remains a mature, tasteful, and YMCA-appropriate activity. In this way, the parade will showcase all

2017 YMCA Short Course Nationals April 3-7, 2017

of the positive and dignified aspects of our championship meet that we would like to be broadcasted locally, regionally, nationally, and worldwide.

Please help us continue to improve this great tradition and ensure that it is a part of the YMCA National Championships for a long, long time.

PROTEST PROCEDURE: Protests may only be initiated by a person with standing, that is, a coach or YMCA supervisor whose team is competing in the meet. Any questions concerning judgments by deck officials should first be addressed to the particular Deck Referee, and then to the Meet Referee, as appropriate.

- In granting the YMCA Sanctioning, it is understood and agreed that YMCA of the USA shall be free and held harmless from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the meet.

EMERGENCIES: the facility personnel will handle all emergencies at the meet. These individuals will provide CPR and first aid as needed and will ensure that individuals with serious injuries are transported immediately to the nearest hospital for further treatment. Defibrillators will be on site.

Any coach, athlete or official who recognizes an emergency situation should immediately inform the facility's personnel and then make sure the vicinity of the emergency is clear for the emergency personnel to do their job.

CONCUSSION AWARENESS: This meet will follow the YMCA of USA Concussion procedure. Anyone who observes or has knowledge of a potential head injury should immediately notify lifeguards and/or hired medical personnel. Once the injury report is completed, the lifeguard and/or hired medical personnel will notify the Event Staff, the athlete's coaching staff, and the Meet Director.

If a head injury occurs, the action plan below will be followed:

1. Athlete is removed immediately from participation by the Meet Director
2. Athlete must be evaluated by a licensed health care professional experienced in identifying and treating concussions. In addition, the athlete must be in compliance with the laws that are in effect within the jurisdiction where the meet is held.
3. The coaching staff will inform the athlete's parents or guardians about the possible concussion and give or send them the fact sheet on concussion.

2017 YMCA Short Course Nationals April 3-7, 2017

4. The athlete will not be allowed back to warm-up or compete until a health care professional, experienced in evaluating concussions determines that the athlete is symptom-free and is OK to return to participation.

LIGHTNING POLICY: The National Lightning Safety Institute, National Athletic Trainers Association, American College of Emergency Physicians, USA Swimming, and YMCA of the USA all recommend or require closing an indoor pool during an electrical storm. This policy will be followed at the meet.

GAC POOL POLICY: It shall be a violation for any patron to not comply with any written or oral rules, regulations, or requirements imposed by Greensboro Aquatic Center personnel. Personal conduct in and around the aquatic facilities must be such that the safety of self and others is not jeopardized. Any such violation may result in immediate removal from the facility.
