### ENTRY INFORMATION

**ENTRY LIMITS:** There is no limitation as to the number of events the athlete may enter. However, an athlete may only compete in a maximum of **nine (9)** events of which no more than **four may be individual events**, not including Time Trials. A team may only have one entry in a relay event.

As this meet is **USA-S Approved**, there is a daily limit on the number of events a swimmer can swim (rule reference 102.2.2 and 102.2.7).

- A swimmer may swim no more than 3 individual events per day in a Prelims/Finals meet
- Time Trial events must count as a part of this daily total.

**QUALIFICATION PERIOD:** The qualification period is March 1, 2019, through the entry deadline.

**USA-S IDs:** Only USA-S registered athletes should have an ID number in the Meet Entry File.

**TIME STANDARDS:** Swimmers/Relays must have equaled or bettered the minimum time standard: See Appendix 2A for qualifying times.

**SPECIAL BONUS EVENT:** If a swimmer qualifies for either the 1000 Freestyle or the 1650 Freestyle, but has not qualified for the other event, the swimmer may enter the other event by achieving the bonus qualifying standard. Example: Swimmer qualifies for the 1000 Freestyle but has not achieved a qualifying time for the 1650 free, that swimmer can enter both the 1000 free and enter the 1650 free as long as they qualify using the bonus 1650 free qualifying time.

**ENTRY TIMES:** No Times (NT) are not allowed. Entry times for individual and relay events shall be the athlete's fastest times achieved during the current qualifying period. (USA Swimming Rule 207.9.4.A) The fastest short course yards times shall be used. If a swimmer has a conforming qualifying time (short course yard), this time must be used, otherwise a non-conforming qualifying time should be used. Events will be seeded with yard times as the fastest times followed by short course meter times and then long course meter times. Entries must be made using actual times. Time conversion is not permitted.

**HIGH SCHOOL TIME:** High school times must have been achieved at USA-S observed high school meets

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

**RELAY ENTRIES:** Relay teams and times may be entered in one of the following ways:

**Intact Relay from the current season** (time achieved between September 1, 2019, and entry deadline) – The time belongs to the team and maybe entered without additional qualifications.

**Intact Relay with time achieved between March 1, 2019, and August 31, 2019** – All athletes on the relay team that achieved that entry time must be eligible to compete at the Short Course National Championship Meet and all four swimmers must be entered in the meet.

**Composite Relay** – The names of each athlete comprising the relay entry must be eligible to compete at the Short Course National Championship Meet and appear on the team entry.

**ATHLETES WITH A DISABILITY:** The YMCA National Championship Meet Committee encourages the entry of athletes with a disability who meet the YMCA eligibility requirements and the Can-Am Para Swim time standards in the meet.

When completing your entry for these individuals and your team (if you have other qualifiers) you will submit your entry using the National YMCA's Online Meet Entry. You will get an error message saying that your athlete's time does not meet the time standard. There will be a comment box where you can note that you are entering an athlete with a disability class (i.e. S7). The entry chair will get your entry. Your athlete will be seeded in the first heat of the event - so the order will be SCY, SCM, LCM, and athletes with a disability with non-conforming standards.

When at the Team Check-in, it is your responsibility to let the Meet Referee know that you have an athlete(s) with a disability on your team. In addition, you should inform the appropriate Deck Referee prior to your swimmers' individual events.

If your athlete has a chance to set an American Record, please note that possibility with your entry and inform meet management and the announcer prior to the event. If a record is achieved, please follow up with meet management to complete the necessary reporting process.

If your athlete needs additional support (i.e. S4 classification or lower) with warm-up space or other accommodations when racing, let the deck referee know what accommodations might be required.

**PAYMENT FOR MEET ENTRIES:** All meet entry fees will be invoiced and paid through our National partner and credit card processor, TeamUnify. If you are not a customer of TeamUnify, you have a "limited" TeamUnify system in which you process your annual team and coach registration and sanction meet requests. If you are a current customer of TeamUnify, you obviously have a full-function version of TeamUnify.

In either system, you store a credit card in TeamUnify to pay for the team registration and the meet sanction fee. This will be the same system that will be used to pay for your total meet entry fees (Championship and time trial).

After the meet entry deadline, we will generate an invoice to your team in TeamUnify for your total meet entry fees. (Note: Your credit card will **NOT** be charged when you submit your entries.) When the invoice is created after the entry deadline, the total meet entry fees will be automatically charged against the credit card you have on file in TeamUnify.

There is a need for both YMCA Level I and YMCA Level II Officials during Prelims, Finals and Time Trials each day. All officials attending the meet are strongly encouraged to sign up to work at the meet.

In order to bring a high degree of consistency to the officiating, officials are asked to work as many sessions as possible, but at least four sessions over the course of the week. Officials working at the Prelims will receive breakfast and lunch in the Hospitality Room.

**REQUIREMENTS OF SAFE SPORT ACT:** ALL officials participating in the YMCA Short Course National Championship in 2020, must meet the federally mandated requirements of this law. See Appendix 5 for the requirements.

**APPLICATION TO OFFICIATE:** Anyone wishing to officiate for the swimming events in the meet should complete the application form available on web site

Surface Mail: Bob Menck, 10 Dynasty Drive, Milford, MA 01757

**TIMER REQUIREMENTS:** It may be necessary to solicit volunteer timers, in which case timing assignments will be made based on the number of athletes entered in the meet by the larger YMCA teams. In such a case, the selected YMCAs will be notified within two days after the Entry Deadline of their assigned timer responsibilities. It will then be the responsibility of the Head Coach or team volunteer coordinator to provide a list of the volunteers to fill the assigned Timer

slots at Registration. Volunteer timers will be expected to attend the Officials meeting immediately before the session at which they are timing. If volunteer Timers are requested, to the extent possible, it would be helpful if such volunteers could work more than one session.

**OFFICIALS REGISTRATION AND PRE-MEET MEETING:** All officials working the meet should register at Official's Registration. Official's Registration will be held in the Special Events Center/Registration Room beginning on Day 1 and throughout the week. At Official's Registration, officials will receive their credentials, shirts, and instructions.

For those who register to officiate, there will be a mandatory meeting on Day 1. After Day 1, there will be a mandatory briefing in the official room in the Special Events Center prior to each session.

The uniform for Finals (including day 1 events) will be a White Oxford or polo shirt and long navy blue pants (no shorts, skorts or skirts please).

Officials will only be admitted to the pool complex with appropriate credentials (issued at Officials registration). These credentials must be displayed at all times. Officials are only admitted to the deck for sessions that they are working on.

**CLASSES FOR OFFICIALS:** Training classes will be offered for officials and trainers at the meet. See Schedule of Activities for specific times and locations. Courses offered are Swim Officials Trainer Training, Facilitation Skills for Trainers, Swim Officials Level I Training, and Swim Officials Level II Training.

### CHECK-IN PROCEDURE

**MEET CHECK-IN PROCEDURE:** Check-in will take place at the Greensboro Special Events Center, Team Check-in Room. If the coach checks-in their team on Monday, there will be 5 check-in stations. The head coach (or coach in charge of the team) should complete the check-in process. Attending assistant coaches identified during the on-line entry process do not need to participate in the check-in process.

Note: After Monday's Check-in, teams/coaches may check-in at designated times during the meet. The process will be the same, but there will be no individual stations.

**ATTENDING COACHES UNABLE TO BE LISTED DURING ON-LINE ENTRY PROCESS:** Any coach who was not able to be selected as attending the meet during the on-line entry process must complete this Check-in process at the meet. Note: A deck fee of \$60 will be assessed and the coach must show current proof of certifications. You will need to complete the online annual registration process at Coach check-in.

#### **CHECK-IN HELP STATION (Station # 1):**

A coach must stop at Help Station to submit their verification of taking the Athlete Protection training and provide the signed YMCA Code of Conduct form for the meet.

If a coach did not have their Insurance Certificate sent to the YMCA of USA in Chicago, he/she must present it at the Coaches Check-in Help Station.

If a coach did not Fax their signed Declaration form prior to arriving at the meet, he/she must present this information at this station.

In addition, if the coach has any questions about the process, he/she should stop at this station.

**PROOF OF TIMES STATION (Station #2):** If the team has been selected for Proof of Times for one or more of their entries, the coach must proceed to the Proof of Times station before proceeding to the Coach Check-in Station. See Proof of Times section for details on the selection process and proving times.

If the coach has identified an error in their entries, he/she should also stop at this station.

Scratch and relay cards will be available and accepted at this station.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

**COACH CHECK-IN STATION (Station #3):** All coaches must stop at this station to Check-in. Information is collected and several forms will be printed. An invoice will be printed for the meet entries fees that the coach will need to present at Station #4. A Team pickup form will be printed that the coach needs to present at Station #5.

**PAYMENT STATION (Station #4):** The head coach presents the invoice (from Station #3) and, if entry fees were not paid on-line by credit card, pays team entry fees by cash or check. Checks should be made payable to the **YMCA of the USA-2020 Short Course**.

**PICK-UP STATION (Station #5):** The head coach presents the team pick-up form (from station #3) and all Parent Consent and Liability Waivers and Concussion Awareness Forms for his/her athletes. Coaches also submit their signed Photo release form (required of all coaches) at this Station. The coach will receive the athlete's deck credentials, athlete gifts, team information packet, coaches' gift, and coaches' deck passes.

**NEW COACHES MEETING:** All new coaches (not just new teams) are invited to attend the New Coaches Meeting on Monday to go over meet procedures and answer any questions they may have regarding the national meet. This meeting creates a setting for new coaches to ask questions in a smaller setting with other new coaches at the meet.

**COACHES MEETING:** At least one coach from each team is expected to attend the Coaches Meeting on Monday. Rules and procedures will be reviewed along with introductions of the Championship Meet Committee and the Facilities staff.

**PROOF OF TIMES: USA-S SWIMS:** If the swimmers' entry times cannot be verified in the USA-S SWIMS database, then they are subject to being randomly selected for proof of the entry time. A 15% or less random sampling of entry times not reconciled against SWIMS will be selected for Proof of Times

The teams randomly selected will be notified via email within 3 days after the Entry deadline. The email address which will be used is the email address entered during the On-line Entry Process. The selected teams will also be posted at <http://ymca.ymcaswimminganddiving.org/2020SC>. Only the specifically selected times must be proved.

All proof of times will be performed during the Meet Check-in process. Do not send proof of times to the Entry Chair or Meet Director.

The entered time (seed time) must be proven to the hundredth of a second.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

Failure to have proof will result in the elimination of that athlete from that specific event unless heats have been seeded, in which case it counts as an event and they may not swim in it.

Proof may be printed from the SWIMS database. Results for meets not in SWIMS must be official printed meet results.

High school swim meets are swum under NFHS rules, which differ from the USA-S technical rules in a number of areas. For a time from a high school meet to be accepted, that meet must have been observed by USA-S or YMCA officials in accordance with USA-S Rule 202.8. The printed results of the event must show the USA-S Observed Meet number issued by the LSC and must be signed by one of the USA-S or YMCA observers.

Coaches are reminded that other factors may require a team to prove USA-S non-reconciled times. This includes, but is not limited to, a protest from another coach.

**PROVING A RELAY TIME:** The intact relay time or individual times that comprise a composite entry time must be proved. If the intact time was achieved between March 1, 2019, and August 31, 2019, then the members of that relay must also be entered on the team's official entry. If a composite time is used, all athletes in the composite must be entered on the team's official entry.

**MISSTATED TIMES:** If a time is misstated in an event, the proven time will be accepted provided proof can be shown that the athlete's time is at or below the Time Standard for that event. A penalty fee for misstated times will be \$25.00 per individual event and \$50.00 for relays. Misstated times will be corrected providing the scratch box has not been closed for that day. There will be no penalty fee for misstated letters (Y, S or L).

Under no circumstances will a time-change be accepted that is faster than the seed time entered during the on-line entry process, even if a faster time can be proved.

**ATHLETE VILLAGE:** We are asking coaches to encourage swimmers to use the Athletes Village located in the Special Events Center during Prelims whenever they are not swimming. With 1,400 or more athletes attending the competition, the pool deck is too crowded to accommodate everyone. Your cooperation will give each athlete an opportunity to do their best.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

### CHAMPIONSHIP PROCEDURES AND OPERATIONS

**CHAMPIONSHIP COMMITTEE:** The Committee is listed in Appendix 3

**RULES:** The meet will be conducted under the Rules that Govern YMCA Competitive Sports, the Addendum to the Rules that Govern YMCA Competitive Sports, and USA-S Technical Rules.

**RESPONSIBILITY OF COACHES AND ATHLETES:** It shall be the responsibility of the coaches and athletes to acquaint themselves with all information pertaining to swim-offs, Finals, and their participation therein, and other related meet data including scratch procedures.

**MEET FORMAT:** The meet will be swum using a Timed Finals and Prelims & Finals format depending on the event. Swimmer's age will be determined as of the first day of the meet.

**EVENT SEEDING:** Events will be seeded slowest to Fastest (except the 1650 freestyle, 1000 freestyle, and 800 freestyle relay) with non-conforming entry times (long course meter and short course meter) seeded first. The Administrative Referee reserves the right to combine heats.

**HEAT SHEETS:** Coaches may pick up their session heat sheet at the HELP Desk on the pool deck. Officials will pick up their Heat Sheet in the officials' meeting for the session.

**WARM-UP AND POOL ENTRY:** During designated warm-up sessions, athletes may only enter the competition pools from the starting ends. At all times other than competition, athletes are expected to use a three-point entry in which they sit on the edge of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm-up periods when sprint lanes are designated for practicing racing starts.

Coaches are responsible for the safety of their athletes and are expected to monitor them at all times during warm-up sessions. No team has exclusive rights to any pool lanes during the warm-up period, during or before the start of the meet. Teams will need to share lane space and work cooperatively in the reflection of the YMCA values and sportsmanship.

The policy for the use of training equipment is:

- Training equipment is not allowed in the competition pool at any time during warm-ups.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

- Training equipment will be allowed in the non-competition pools when general warm-ups are taking place in the competition pools.
- Once the competition pool switches to specific warm-up then training equipment is no longer allowed in the non-competition pools.
- Training equipment will not be allowed in the non-competition pools when prelims, time trials or finals sessions are taking place in the competition pool.
- The coach whose athletes are utilizing training equipment should monitor its use to ensure a safe environment for all athletes.

**RELAY CHECK-IN PROCEDURE:** Prelims –Teams will not need to file a relay form for Prelims if the same swimmers who were entered during the on-line entry process will swim in Prelims in the same order as entered. If the swimmers in Prelims are different than the swimmers entered on-line (or in a different order), then a relay form must be filed.

Prelims – Relay forms will be available at the Proof of Times table during registration or at the Scratch/Relay table and HELP Desk during the meet. The head coach shall list the team name and the competing relay swimmers (last and first names) in the order that they will swim. Relay entry forms for Prelims must be turned in to the Scratch/Relay table 30 minutes before the scheduled start of the relays. Relay changes may be declared at any time prior to the start of the heat, but the coach **MUST** submit a Relay “Change” card to the Deck Referee prior to the start of the relay’s heat.

Finals -Teams qualifying for Finals will not need to file a relay form for Finals if the same Swimmers who swam in Prelims will swim the same order in Finals. If the swimmers in Finals are different than the swimmers in Prelims (or in a different order), then a relay form must be filed and submitted 30 minutes prior to the relay. All other instructions and conditions shown above shall apply.

**SCRATCH PROCEDURES:** Once entries have been submitted, an athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete’s total number of events for the meet. The USA-S scratch procedures (USA-S Rule 207.11.6) will be followed, as modified for this Meet as set forth below: Scratch cards will be available from the Scratch table and the HELP Desk both located on the pool deck.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

**SCRATCHING FROM PRELIMS:** The athlete or coach must complete and submit a Scratch card to the Scratch table by 5:00 PM on the day prior to the event. For the Day 1 events, the Scratch table will close at 1:00 PM on Day 1.

**SCRATCHING FROM A TIMED FINALS EVENT:** Athletes may scratch from a timed Finals event in accordance with the procedures for Scratching from Prelims.

**SCRATCHING FROM FINALS:** For an athlete initially qualifying for the A, B, or C Finals, the swimmer or his/her coach, must notify the scratch table within 30 minutes following the announcement of his/her name as a finalist that he/she will not compete in Finals in that event.

If there have been scratches from a Final event, the Administrative Referee will attempt to notify any swimmer moved up into FINALS.

Failure to compete in a Finals Event from which the athlete has not scratched shall disqualify the athlete from the remainder of the meet. However, no penalties shall apply for failure to compete in Finals if the referee is notified in the event of injury or illness and accepts the proof thereof, or it is determined by the Referee that failure to compete is caused by circumstances beyond the control of the athlete.

**DECLARATION OF INTENT TO SCRATCH:** An athlete qualifying for A, B, C Finals (or his/her coach), based upon the results of the Prelims in an event, may notify the Scratch/Relay table within 30 minutes after announcement of the qualifiers for that event that he/she may not compete in the Finals of the event, pending the results of a subsequent individual Prelims event in which he/she is entered. The athlete (or his/her coach) must then declare his/her final intentions within 30 minutes following their last individual Prelims event (USA-S Rule 207.11.6E(2)). If the athlete (or his/her coach) does not declare his/her final intention, it will be assumed the athlete has chosen not to scratch from the Finals of the original event. If the athlete then fails to compete in this Finals Event, he/she shall be barred from further competition for the remainder of the meet (USA-S Rule 207.11.6D(1)).

**DECLARED FALSE START:** An athlete may also withdraw from a Prelims heat, timed final, or swim-off by electing to take a declared false start. Such a declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

**NO SHOW:** An athlete who is seeded in a preliminary event and fails to compete (i.e., a “no show”) shall not compete in any further individual or relay events on that day unless the athlete and/or coach declares an intent to swim to the Administrative Referee prior to the next scheduled event for the athlete.

In addition, the athlete shall not be seeded in any individual events on succeeding days unless that athlete and/or coach declares their intent to swim prior to the close of the scratch box for the next day’s events.

(Note that under USA-S rules, a no show is automatically barred from all further individual and relay events for that day (Rule 207.11.6C); we are easing that burden, particularly for relay swimmers.)

**STARTS:** 'Fly-over' starts will be used at this meet for Prelims and Time Trials.

**SWIM-OFFS:** In the event a swim-off is necessary, the meet Administrative Referee will set a time for the swim-off which will not be any later than 45 minutes after the last heat of any event in which any of the swimmers in the swim-off is competing. (USA Swimming Rule 102.5.2).

**TIMING:** The timing of all swimming events will be posted to the hundredths of a second. In the case of a tie to the hundredths of a second in a preliminary event, swim offs will be scheduled, as necessary, in accordance with Rule 102.5.2.

**RELAY TAKE OFF JUDGING:** Referees and officials will follow USA-S technical rule 102.13.6 (A, B, and C) to judge relay take-offs.

The Greensboro Aquatic Center has an electronic take-off device. This device will be incorporated into the relay take-off judging using following this procedure:

- When an early relay take-off is confirmed by two officials following USA 102.13.6 a/b/c, the referee will check the electronic take-off device to confirm the swimmer left early. If the electronic take-off device confirms early take-off the DQ will stand. If the electronic take-off device does not confirm an early take-off, the DQ will be overturned (i.e canceled).
- The electronic relay take-off device will only be referenced if and when a dual confirmation DQ from two officials is confirmed. Otherwise, the electronic relay-device will not be referenced. In other words, the electronic relay device will not be used to DQ an early take-off that was not confirmed by officials.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

- Electronic relay take-off data (independent of whether it was used or not used) will not be included in any meet results including ACTIVE MeetMobile results, HYTEK MeetManager results, printable meet results, and meet results export from MeetManager
- **Electronic Take-Off Device Determination Summary**

<b>JUDGE DETERMINATION</b>	<b>Electronic Take-Off: False Start</b>	<b>Electronic Take-Off: No False Start</b>
<b>Judges Call: False Start</b>	<b><i>DQ</i></b>	<b><i>No DQ</i></b>
<b>Judges Call: No False Start</b>	<b><i>No DQ</i></b>	<b><i>No DQ</i></b>

**INITIAL SPLITS:** Coaches desiring a time for an initial split in an individual or relay event must complete the appropriate form and present it to the Deck Referee prior to the swim in question so that additional timers can be provided as a back-up to the timing system. Forms are available at the HELP Desk. Coaches may be asked to provide one or more timers for their athletes.

**HELP DESK:** General meet information, Heat Sheets, Bio Forms, Facility Information, Relay Change Cards, Requests for a Time for Initial Split, etc. can be obtained at the HELP Desk, located on the pool deck outside the First Aid room.

**DISTANCE EVENTS:** 1,000 and 1,650-yard Freestyle and 800 Freestyle relay events are timed Finals and are swum fastest to slowest. The Deck Referee may combine the slowest heats if warranted.

For the 1,650 Freestyle, the top 8 seeded competitors (men and women) will swim in the Finals at night.

For the 1,000 Freestyle, All heats will swim on the evening of Day 1

All protests must be made using the Protest Form and delivered to the Meet Referee. Protest Forms can be obtained from the HELP Desk.

For protests made prior to a race, concerning the eligibility of an athlete(s) to compete, the Eligibility Committee will endeavor to resolve the protest before the start of the race in question. However, any switching of swimmers should not interfere with the presentation of awards.

All award winners must wear apparel that is appropriate and acceptable to the Championship Meet Committee. You must wear a shirt with sleeves or jacket (team warm-up jacket is preferable) on the award stand. No caps, towels, water bottles, costumes, or theme attire are permitted on the awards stand.

The Coach of the winning swimmer will present the awards to all swimmers unless there is a celebrity presenter; in this case, the coach will co-present to the winning swimmer and the celebrity presenter will present to places two through sixteen.

**PARADE OF ATHLETES:** Prior to Day 2's Finals, athletes and officials will parade around the pool for Opening Ceremonies. Athletes are encouraged to wear costumes/attire related to the Parade theme.

**PARADE OF ATHLETES PROTOCOL:** We are all blessed to be a part of the rich history and tradition that makes up the YMCA National Swimming Championships. One feature that separates this meet from other National Championships is the Parade of Athletes. The splendor of the parade helps to make YMCA Nationals a unique and unforgettable experience.

The parade is also a powerful vehicle to promote our image and values and to preserve the tradition of the YMCA National Championships. It provides each team with a unique opportunity to represent its identity within the YMCA Championship meet theme. We are looking for our athletes to add to the meet experience and showcase something special about their state, league or YMCA.

In choosing to take part in the parade, our athletes are not only representing themselves. They are also representing their coaches, their home YMCAs, their state, and YMCA swimming as a whole. We ask that our coaches and team leaders work with their athletes to ensure that our parade remains a mature, tasteful, and YMCA-appropriate activity. In this way, the parade will showcase all the positive and dignified aspects of our championship meet that we would like to be broadcasted locally, regionally, nationally, and worldwide.

The selected coach will be announced at this Championship

**JOSEPH G. ROGERS AWARD:** This award was established in 1974 in recognition of the long and exceptional leadership, insight, dedication, and friendship of a man whose YMCA career touched and enriched the lives of countless young people. In his lifetime, Joe Rogers was the first recipient of the National Distinguished Service to Aquatics Award, was the organizer of the National Operating Council on Aquatics, and represented the YMCA on the U.S. Olympic Men's Swimming Committee. The Joseph G. Rogers Award statue is permanently located in the International Swimming Hall of Fame Museum, Fort Lauderdale, Florida, with each Honoree's name affixed in bronze on the base. A replica of the statue is presented to each Honoree at the YMCA of the USA National Swimming and Diving Championships.

The 2020 Award Recipient will be recognized at the Championship. The 2021 Award Recipient will be announced at the Championship

**CONRAD CARROLL AWARD:** This award is given in memory of Conrad "Connie" Carroll, who served tirelessly for 18 years as a YMCA certified swimming and diving official at all levels of YMCA competition. Connie served in every capacity from timer and head timer to stroke & turn judge to scorer to electronic timing system operator. No job was too small for Connie or below him. Whatever needed to be done, he pitched in and got it done. Unfortunately, Connie died suddenly at an early age, and the YMCA lost the services of this dedicated volunteer.

The recipient of this award best represents the ideals of a YMCA Swimming Official and the example set by Connie Carroll.

The recipient will be introduced at the Championship.

### TIME TRIALS

**FORMAT AND FEE:** Time Trials are open only to athletes entered in the Championship meet. The Time Trial Sessions will begin approximately 30 minutes after the Prelims. Each athlete is allowed to enter a total of **four (4)** Time Trials events for the meet. The Time Trial event fee is \$20 per event entered.

An athlete may only swim the stroke being contested in a Time Trials event, e.g. an athlete may not swim backstroke in a breaststroke event in Time Trials.

Once an athlete is entered into Time Trials and the fees paid, there is no refund of the fees.

**TIME TRIAL LIMITS:** The 1650 free and 1000 Free Time Trials will be limited to **2 heats** of 8 entries of the fastest seeded swimmers per gender. The 500 Free Time Trial is limited to **5 heats** of 8 entries of the fastest seeded swimmers per gender and the 400 IM is limited to **5 heats** of 8 entries of the fastest seeded swimmers per gender.

The number of Time Trial entries will be limited so that the Time Trial session will be complete by 2:30 PM each day. Should weather or other exceptional circumstances delay Time Trials, we reserve the right to terminate the time trial session if it will run past 2:30 PM. This is necessary to ensure an orderly transition to the evening Finals Session.

A swimmer may swim more than one Time Trial per day as long as the swimmer complies with the USA-S rules below.

USA-S rules limit the total number of individual event swims (Rule reference 102.2.2 and 102.2.7.

- A swimmer may swim no more than 3 individual events per day in a Prelims/Finals meet
- Time trial events must count as a part of this daily total.

**TIME TRIAL ENTRIES:** No Times (NT) are not allowed. All Time Trial entry times are subject to Proof of Times check.

Time Trials may be entered online prior to the meet or hand-delivered for an entry during the meet. Online entry for Time Trials is under a separate meet entry from the Championship meet entry.

<http://ymca.ymcacompetitiveswim.org/YMCANatsEntry.asp?M=YMCANatsTrialsSC>

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

Online Meet Entry is encouraged and will be given priority in the event of time restrictions. For on-line entry, the Time Trials event list is separate from the regular meet. Payment for all online entered Time Trial entries must be made at or before Team Check-in.

For entry during the meet, individual and team entry forms will be available at the HELP Desk or the Time Trial Desk. Completion of these forms in advance will save time for the coach and the Time Trial desk. Payment for Time Trial entries made during the meet can be made at the Time Trial Desk with cash and/or check. Make checks payable to the **YMCA of the USA-2020 Short Course**.

**SCRATCHING FROM TIME TRIALS:** If you know a previously entered athlete will not compete in a Time Trials, please inform the Time Trials Desk prior it closing. While there will be no refund, your effort to remove the athlete prior to seeding will increase the efficiency of the Time Trials and our ability to accommodate all athletes who wish to compete.

**TIME TRIAL PROCEDURE:** The schedule of time trial events each day will include the events swum during that prelim session and the events to be swum during the next day's prelim session.

An athlete may switch events without incurring an additional fee by scratching from one event prior to the event's final seeding and entering into another event. After the final seeding, the swimmer cannot switch events. The new desired event can be entered by submitting a new Time Trial event form and paying the Time Trial event fee.

After time trial entries close for the day, a determination will be made if there is time to swim all scheduled events during the afternoon's time trial window. At approximately 11:00 AM each morning a notice will be posted at the Time Trial office and at the Help Desk indicating which of the events on today's time trial schedule are expected to swim this afternoon. Athletes entered in scheduled time trial events for which time was not available for them to swim will be permitted to change their entries to time trial events offered on a subsequent day at no cost.

Each morning after Time Trial entries have been closed, the psych sheet for that days' Time Trials will be posted. An announcement will then be made by the announcer asking coaches to review their Time Trial entries for the day.

Coaches should review the psych sheet to ensure their entries are correct. If they find any errors, they should report them promptly to the Time Trials Desk.

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

Approximately 30 minutes after the posting of the psych sheet, the Time Trials Desk will stop taking updates and begin the seeding process for the Time Trials.

If an error is discovered after Time Trials have been seeded, an athlete will only be entered into an event if there is an empty lane. It is incumbent upon the coach to find and report errors during the review period in order to ensure their athletes get in their desired events with correct seeding.

**RESULTS:** Time Trials results will be posted on Meet Mobile as a separate meet from the Championship Results.

However, out of courtesy and fairness, we maintain seat saving procedures for spectators sitting in the grandstand. Spectators for whom seats are being saved must be in their seats by 8:30 AM. At 8:30 AM each morning of competition, our announcer will ask anyone saving a seat to please remove whatever they may be using to do this. ### APPENDIX 6: CONCUSSION POLICY & PROCEDURE

#### SPORTS NATIONAL CHAMPIONSHIP CONCUSSION MEMO (V 2019)

YMCA of the USA and the host YMCA for Sports National Championships are aware of the growing concern around concussion management. It is our responsibility to ensure the safety of our athletes at these events.

The Centers for Disease Control and Prevention (CDC) defines a concussion as “a type of traumatic brain injury (TBI) caused by a bump, blow, or jolt to the head or by a hit to the body that causes the head and brain to move rapidly back and forth. This sudden movement can cause the brain to bounce around or twist in the skull, stretching and damaging the brain cells and creating chemical changes in the brain.” It is important that our participants, parents and guardians, coaches, volunteers, and staff are aware of the seriousness of head injuries at any level.

Signs and symptoms of concussions provided by the CDC include, but are not limited to, the following:

#### Signs Observed by Coaching Staff

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (*even briefly*)
- Shows mood, behavior, or personality changes
- Can't recall events *prior* to hit or fall
- Can't recall events *after* hit or fall

#### Symptoms Reported by Athletes

- Headache or “pressure” in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not “feeling right” or “feeling down”

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

- All coaches will receive fact sheets on concussions to share with their coaching staff, athletes, and parents and guardians.
- All parents or guardians and athletes are required to complete the Parent/Athlete Concussion Information Sheet. The form will be provided to them by the coaching staff.
  - This form must be returned at registration along with the Medical & Emergency information and Liability Waiver Forms. It will be kept with the event files.
- Anyone who observes or has knowledge of a potential head injury should immediately notify lifeguards and/or hired medical personnel.
  - Once the injury report is completed, the lifeguard and/or hired medical personnel will notify event staff, the athlete's coaching staff, the Meet Director, and the YMCA of the USA national liaison.

If a head injury occurs at a Sports National Championship event, the four-step action plan below will be followed:

1. The athlete is removed immediately from participation by the Meet Director and/or YMCA of the USA national liaison.
2. The athlete must be evaluated by a licensed health care professional experienced in identifying and treating concussions. In addition, the athlete must be in compliance with the laws that are in effect within the jurisdiction where the meet is held.
3. The coaching staff will inform the athlete's parents or guardians about the possible concussion and give or send them the fact sheet on concussion.
4. The athlete will not be allowed back to play, practice, or compete on the day of the injury and will be barred from the competition area until cleared by a licensed health care professional who has experience evaluating concussions and has provided written notification that the athlete is symptom-free and is OK to return to play.

### **ADDITIONAL RESOURCES:**

- Coaches, athletes, and parents can download the free CDC HEADS UP Concussion and Helmet Safety app from Google Play or the Apple App Store. The app will help you learn how to spot a possible concussion and what to do if you think your child, teen, or athlete has a concussion or other serious brain injury.

### **INTENDED/UNINTENDED CONSEQUENCES**

YMCA of the USA and the host YMCA are not responsible for any intended or unintended consequences related to removing an athlete from competition for a head injury. This includes, but is not limited to, any financial reimbursement associated with such removal.

### APPENDIX 7: LIGHTNING POLICY & PROCEDURE

#### SPORTS NATIONAL CHAMPIONSHIP LIGHTNING POLICY MEMO (v2019)

YMCA of the USA and the host YMCA for any Sports National Championships event are aware of the risks associated with YMCA activities. One of these risks in competitive aquatics is lightning. Lightning can affect programs. It is our responsibility to ensure the safety of our athletes at these events.

Lightning is part of a severe weather storm where electrical surges travel from clouds towards the earth or from the ground towards the sky. On average, lightning causes more casualties annually in the United States than any other storm-related phenomenon, except floods. Many people are injured or killed as a result of misinformation and inappropriate behavior during thunderstorms. Lightning is generally thought of as a threat to outdoor facilities, but the threat of electrocution exists inside a building as well.

The National Lightning Safety Institute recommends the following practices to reduce the risk of being struck by lightning:

- Plan in advance — when you first hear thunder or see lightning, take immediate action. Go into a building or inside a vehicle. Lightning typically precedes rain, so don't wait for the rain to begin to suspend your activities
- If you are outdoors — avoid water, stay off the high ground, and avoid open spaces. Stay away from all metal objects, including electric wires, fences, machinery, motors, power tools, etc. Unsafe places include underneath canopies, open-air pavilions, small picnic or rain shelters, or near trees. Where possible, find shelter in a substantial building or in a fully enclosed metal vehicle, such as a car, truck, or van. Keep the windows completely shut. Avoid touching any metal in the vehicle.
- If indoors — avoid water. Stay away from doors and windows. Do not use telephones with cords. Take off headsets. Turn off and stay away from appliances, computers, power tools, and TV Sets. Lightning may strike outside electric and phone wires causing shocks to travel inside.
- Suspend activities for thirty minutes after the last observed lightning or sound of thunder.
- Injured persons do not carry an electrical charge and can be handled safely. Render first aid if qualified to do so. Call 911.
- Know your emergency telephone numbers.
- There is no safe place outdoors in a lightning storm. When there is no safe place in a building or in a vehicle nearby, the National Weather Service recommends the following last resort actions to lessen the threat of being struck by lightning:

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

- Do not seek shelter under tall isolated trees! Stay away from all tall isolated objects. Lightning typically strikes the tallest object; that could be you in an open field or clearing.
- Do not seek shelter under partially enclosed buildings.
- Know the weather patterns of the area. For example, in mountainous areas lightning storms develop in the early afternoon, so plan your hike early in the day and be off the mountain before then.
- Know the forecast for your area. If a high chance of lightning storms is predicted curtail your plans or reschedule (avoid the risk).
- Do not place your campsite in an open field or on the top of a hill or ridge. A tent offers no protection from lightning. If you are in a forest stay in a lower stand of trees. If you are camping in an open area, locate your site in a ravine or valley.
- If lightning is striking nearby and you are outdoors you should: Crouch down, put feet together and put hands over your ears to minimize hearing damage from thunder.
- Y-USA representatives will work with the host facility to designate a chain of command as to who monitors inclement weather and who makes the decision to move a program or event. An emergency plan/Aquatic Safety Plan should include planned instructions for inclement weather. In the case where the facility's policy and the YMCA of the USA's differ, the Y-USA policy on clearing the pool will be followed.
- A Y-USA representative will obtain a weather report each day during the event. Be aware of potential thunderstorms that may form during YMCA facility hours or activities.
- A Y-USA representative will be required to be aware of National Weather Service-issued thunderstorm "watches" and "warnings" as well as the signs of thunderstorms developing nearby. A "watch" means conditions are favorable for severe weather to develop in an area; a "warning" means that severe weather has been reported in an area and for everyone to take proper precautions.
- A Y-USA representative will do a pre-event check with the facility to ensure volunteers and staff know where the closest safe area, structure, or location is within the facility or outdoors. Know how long it takes to get to that safe area structure or location. Safe area, structure, or location is defined as:
  - a. Any building or indoor area normally occupied or frequently used by people. Avoid using wet areas for safe shelter and do not use the phones, showers, or plumbing facilities during a thunderstorm.
  - b. In the absence of a sturdy, frequently inhabited building, any vehicle (cars, vans, or busses) with a hard metal roof and rolled-up windows can provide a measure of safety. It is not the rubber tires that make a vehicle a safe shelter, but the hard metal roof which dissipates the lightning strike around the vehicle. **DO NOT TOUCH THE SIDES OF THE VEHICLE!**

## 2020 YMCA Short Course Nationals March 30-April 3, 2020

---

- The Y-USA representative and/or facility host staff are responsible for being aware of how close lightning is occurring. If the YMCA of the USA leader or facility staff sees a flash or hears thunder, the activity will be terminated until thirty minutes after the last flash or sound of thunder.

### **If lightning occurs at a Sports National Championship event, the plan below will be followed:**

1. If lightning occurs in the area and is observed by facility staff, or YMCA staff or volunteers, then outdoor pools, indoor pools, whirlpools, steam rooms, saunas, and showers will be vacated. Lightning will be considered to be in the area when one or more of the following occurs:
  - a. Lightning is seen
  - b. Thunder is heard
  - c. A severe thunderstorm or tornado warning has been issued for the local area
  - d. Notification from a lightning detection network is detected within a few miles or appear to be approaching the local area
2. The pool and shower areas will be evacuated until 30 minutes after the last evidence of lightning is present within the area. While bonding and grounding may add a level of protection, there is no way to completely reduce the risk so the YMCA will still evacuate the pool and other wet areas to ensure safety.
