

YMCA of the USA 2017 TRAVEL ASSISTANCE GUIDELINES

YMCA-of-the-USA recognizes the commitment an athlete makes to training and competing in swimming and diving competitions. We realize the financial strain these competitions can have on families. The YMCA-of-the-USA hopes to alleviate some of the financial pressures associated with participation by making financial assistance available to local YMCA's to help offset an athlete's **transportation and lodging expenses** to a YMCA National competition event.

Note: Local YMCA matching funds are no longer required.

Travel and lodging financial assistance **shall not exceed \$600.00 per applicant**. **The funds will be distributed by the YMCA-of-the-USA directly to the Local YMCA** with a notification to the Athlete, Athlete's YMCA coach and Athlete's parents approximately 6 weeks after the YMCA National competition.
