Historical Biographical Sketch: Ross Wales, a competitor in this meet, started swimming at the Youngstown YMCA in 1956, and swam with the YMCA Neptune Swim Club until his graduation from high school in 1966. In 1965 Ross was the #1 ranked high school swimmer in the 100 yard butterfly in the United States. He represented his YMCA in our National Championships for 4 years and dominated the 100 yard butterfly event. He set new National Records in 1964, 65, and 66. Ross went on to attend Princeton University, where in 1967 he won the 100 yard butterfly event in the NCAA Championship. This was followed by a 2nd place finish behind Mark Spitz in the 1967 Pan American Games. In 1968 Ross became a member of the US Olympic team winning the Bronze Medal in the 100 meter butterfly. Upon graduation he entered the University of Virginia Law School prior to entering the U.S. Army. Presently Ross is a Partner in the Law Firm of Taft Stettinius & Hollister LLP in Cincinnati, Ohio. In the 1990's swimming became a Wales family affair when Ross's sons Dod, and Craig Wales became members of the M.E. Lyons YMCA Swim Team and participated in our YMCA National Swimming and Diving Championship Meets for several years, distinguishing themselves as outstanding swimmers as well. More will appear on Dod and Craig when they appear on the National scene.

Ross Wales: Continued: Ross Wales: Swim Team Captain Princeton University 1969.

Dod Wales Swim Team Captain. Stanford University 1999.

Craig Wales: Swim Team Captain Princeton University 2001.

Dod, in 1999, his senior year at Stanford, was the American Record Holder in the 100 Yard Butterfly. I understand that he also won the NCAA Championship in that event and that Ross and Dod at that time were the first father and son combination to have won a NCAA Championship in the same event. Also I believe that Ross presented Dod's medal at that championship event.

Special Note: Back in 1964 Ross Wales's father Dr. Craig Wales served on the Championship Committee of the 37th National YMCA Swimming and Diving Championship held in Youngstown, Ohio April 9-11th.
