The 40th Men's and 1st Women's National YMCA Swimming & Diving Championship Meets!

This was a landmark year for our National YMCA Short Course Swimming and Diving Championship program. It was the **40th** Anniversary of the **Men's** Championship on April 13-15, and the **1st Women's** Championship Meet held April 25-27, 1967. The following is the information and material collected for this outstanding year, gathered in part by John deBarbadillo, the Historian for the YMCA National Swimming and Diving Committee, and Margaret "Peggy" Kelso who was instrumental in starting the groundswell for the Women's Championship program.

In presenting this material I will be starting with the Men's Championship Meet since it was the first meet held during the month of April!

Men's 40th National YMCA Swimming & Diving Championship Meet April 13-15, 1967

Principia College St. Louis, Missouri

The **40th** Men's National YMCA Championship was held in the Principia College of Liberal Arts, 13201 Clayton, St. Louis, MO on April 13-15, 1967. There were 35 Associations from 11 states with 183 participants that were entered in this meet. A change in scoring was made for this meet with the addition of the "Consolation Heat". This changed the scoring of the meet from 6 places to 12 places. The Championship Heat consisted from 1st to 6th place and the Consolation Heats from 7th thru 12th place. In addition to the scoring change, a new YMCA Membership requirement was also established. DRAFT: 1967

1st Women's National YMCA Swimming and Diving Championships

Background material on how this Championship Program came about:

In late 1965 Margaret "Peggy" Kelso of Dalton, IL made a formal request to Joe Rogers, the Chairman of the National YMCA Aquatic Committee, to allow Women to have their own National YMCA Swimming and Diving Championship Meet. In turn, Joe asked her to recruit an ad hoc committee and come up with recommendations and or guidelines for the establishment of this championship meet. Peggy began her work by contacting individuals expressing interest in such a program for women from across the United States; from YMCA's, from Colleges and Universities, and from High Schools. The committee was formed by the following individuals:

Peggy Kelso, Chairman	George Williams College, Chicago, Illinois
Marguerite Clifton	Dept. of P.E. for Women Purdue University
Berthaida Fairbanks	Dept. of P.E. for Women Univ. Rochester,
Charles Gomori	YMCA 933 Mentor, Painesville, OH
Claryce Holmberg	Springfield College Springfield, MA
Elizabeth Pulley	Washington Park YMCA
Dr. Phoebe Scott	Illinois State University
Roberta Turcotte	1515 W. Touhy, Park Ridge, Illinois
Jim Stocker	La Grange YMCA Western Springs, Illinois
Helen Westerberg	George Williams College Chicago, Illinois
Virginia Woods	Chicago Public Schools Chicago, Illinois
Ruth Hill, Secretary	South Holland, Illinois

This committee met on several occasions and established the following guidelines for the 1st YMCA National Women's Swimming & Diving Championship Meet:

1. Participants must be active members of their local YMCA
2. Participants must have a physical examination before competing.
3. Participants must qualify in Local, State or Regional Meets
4. Teams must be accompanied by an adult chaperone.
5. There will be two age groups: 12-14 and 15-19 years old.
6. The "Order of Events will be the same as the Men's Championship.
7. Participants may not be professional or employed by the YMCA.
8. One piece bathing suits must be worn.

These guidelines were submitted to Joe Rogers and he asked Margaret Kelso to present them to the entire National YMCA Aquatic Committee. The guidelines were accepted with two (2) changes and those were in #5 and #6. In #5, instead of two age groups there would be only one age bracket and that would be Senior--twelve and over, and in #6 the 1650 Freestyle (added to the "Order of Events" in 1970) was eliminated from the 1st Women's Championship. The National YMCA Aquatic Committee also added the stipulation that this meet would be conducted on a three year trial basis and would be evaluated again after the Championship in 1969.

 10. The Host Association to list practice periods available in the pool and schedule teams for specific periods.
 11. Each participating Association is required to give evidence that it carries appropriate insurance on all of its team members for travel and the duration of the meet.
 12. Host Association is to provide information on approved housing, accommodations and maps of the area. Each local Association will be responsible for feeding, lodging, transportation and insurance expenses of its own group.
 13. Each local YMCA should supply the Host Association with pictures and publicity material about their team members.

A Championship Committee of three members will be recommended as follows: one by the Host Association: one by the National YMCA Aquatic Committee, and one by the National YMCA Physical Education Committee (NYPEC). The Championship Committee is appointed and its chairman designated by the NYPEC. Protests, eligibility, rules and regulations and other questions that arise will be handled by this Championship Committee.

 17. According to policy, National YMCA Championship medals, from Association Press, are to be used: Gold, Silver, and Bronze for 1st, 2nd, and 3rd place, and, if recommended by the Host Association, bronze medals for 4th, 5th, and 6th, places. (The Host YMCA may recommend placing and scoring of points for the first 12 places in each event.) **Note:** It was decided the host association that because the pool only had 5 lanes only 5 places would be scored for this Championship Meet. A YMCA plaque trophy may be provides by the Host Association and presented to the winning team. If nine or more Associations participate, a 2nd place plaque may also be provided. If 17 or more Associations participate then a 3rd place plaque may also be provided. (This wall plaque is recommended because it is easier to display and easier to transport than a cup.)
 18. This Women's YMCA National Championship event will be run on a 3 year trial bases 1967 thru 1969. As a result a careful evaluation is to be made of these Championships as requested by the National YMCA Physical Education Committee taking into account such things as: values to contestants, values to Associations represented, value to the Host Association; identification of concerns or problems; competence of officials: methods and adequacy of financing the championship; etc.
- NOTE: For additional guidance refer to: National YMCA Swimming and Diving Championship 1962 issue, a unit in the NEW YMCA AQUATIC WORKBOOK.
