Report of the National YMCA Competitive Swimming & Diving Council:

C. Eugene Keltner---Chairman

In the fiscal year 1976-77 the Council has endeavored to bring to the attention, of those YMCA's involved in competitive swimming and diving, the need for more dedicated lay volunteers not just as officials or coaches but as volunteers who will help search for grass-roots swimmers and involve them in our competitive programs. We have told our Y's that we need people who will stay with us all their lives and make their work so meaningful that their contributions will be passed on through teaching and values education to youth enrolled in our programs. We want them to learn that there is a value, not just in winning, but also in training to win and in the disciplines that they must adopt for that training and winning.

The Executive Committee of the Council communicates every day with one or more YMCA's, trying to help them meet their needs. The Committee finds that we need to develop more people to represent the YMCA at the regional level.

We have welcomed the cooperation of many people in government, hotel/motel management, swimming pool corporations, etc., who have assisted us in achieving outstanding success with our ever-growing National Championships. Thanks to them, our coaches, officials, and our wonderful young swimmers and divers, the National YMCA looks forward to a fabulous future.

The 1977 International Swimming Hall of Fame Induction Program

Once again the International Swimming Hall of Fame will hold its Honoree Induction Ceremonies in conjunction with our National YMCA Swimming and Diving Championships in Fort Lauderdale, Florida. The two entities, our National YMCA Swimming and Diving Council and the International Swimming Hall of Fame, led by Jim Stocker, Chairman of the National YMCA Swim Council and Buck Dawson, Executive Director of ISHOF are very proud of this collaboration, knowing that the starting point for many Olympians has been through our YMCA Competitive Swimming Programs.

GLEN S. HUMMER

Glen Hummer, affectionately known as Butch by all of his swimmers, has provided outstanding leadership in his dedication to Swimming and Diving and to the YMCA Competitive Aquatic Program. During his more than forty years in coaching competitive swimming:

- * His teams have participated in almost every National YMCA Championship since the first one in 1934 – exceptions were during World War II.

- * Has won the Indiana YMCA Championships more than any other YMCA in the state.
- * From the many YMCA swimmers he has coached, 89 have received college and university scholarships to continue their education. Most of these have become intercollegiate All-Americans.
- * His YMCA hosted two National Championships – 1947 and 1962.
- * He has had two former YMCA swimmers become Olympians:
Gary Dilley – 1964 – Tokyo – 100 M Backstroke – Silver Medal
Matt Vogel – 1976 – Montreal – 100 M Butterfly – Gold Medal
- * Numerous former swimmers have become actively engaged in coaching and other endeavors connected with swimming – most famous would be George Haines, now coach of UCLA.
- * He received the first National YMCA Coach of the Year Award.

In addition to being very active in the YMCA programs he has contributed to the AAU program on the local and national level also, which includes:

- * He has been on several foreign trips as coach of U. S. Swimmers – among countries are Japan and West Indies.
- * He was the first recipient of an annual award which is presented by the Indiana AAU in his name as an individual who contributed the most to Indiana swimming for that year.
- * Conducted the first age group mile ever held in the United States – 1977 will mark the 20th consecutive championship held in Huntington at Lake Clare.
- * Rewrote and updated the AAU long distance rules which has contributed much new interest in this phase of swimming.
- * Has been meet director for six National AAU Senior Long Distance Swimming Championships held in Huntington and one held last year in Grove, Oklahoma.
