Dear Competitors:

On behalf of the Mid-East Physical Directors Society, I want to wish you well as you compete in the 51st Men's and 12th Women's National YMCA Swimming and Diving Championships.

The Goals your physical directors had in mind as they worked with your teams are contained in the new Aquatic Workbook, "Guides to Creative Administration of the National YMCA Aquatic Program" by Harold T. Frierhood.

The following goals were in mind as they established direction for your competitive progress:
PERSONAL DEVELOPMENT- to improve skills, physical fitness & health, to have fun, adapt to changing conditions, self-satisfaction, group & team cooperation, and to develop respect for opponents and experience their friendship.

EDUCATIONAL EXPERIENCE- to provide an educational experience resulting in greater appreciation of the sport, the game rules, of playing techniques and strategies.

CONTRIBUTE TO SELF-DISCIPLINE- to develop self-discipline in health practices and emotional control, with respect for the observances of the rules and code of ethical conduct.

OPPORTUNITY FOR ALL- to provide challenging and satisfactory experiences of all skill abilities and levels and include a wide range of ages and in both sexes.

The Physical Directors Society wishes you the very best of luck in these National Championships.

The will to accomplish, to strive steadfastly, to improve proficiency is a commendable quality and should be more generally cultivated.

Report of the National YMCA Competitive Swimming and Diving Council:

The Council's year of 1977-78 has experienced growth, involvement, changes, and much deeper concepts of the need for values education in our Competitive Swimming and Diving Program.

The participation in our National Championships for the year of more YMCAs than ever before gives us the impetus to continue the never ending philosophy of "It Starts With Me." With each individual involved in any form of competition today, whether it be swimming, diving or the inevitable job of carrying newspapers there is always a need to realize the actual value that the human being must receive from the input he applies to doing the best job he knows how, no matter what the circumstances confronting him be.

The Executive Committee and the Council have adopted these basic philosophies and many more, hoping that they will enrich the total concept of the swimmer and diver being aware of his individual performance and the need for his understanding in reaching a goal which is ever seemingly ahead of him. I cannot find the words to express my personal feelings to all YMCA staff and volunteers who have given their time and energy to strive to meet those same adopted philosophies that the Council is trying to project. The Values Education Programs is on the move as are the Coaches Certifications Program and the Officials Certification Program. Be alert and be ever mindful that there is always a job to do and that "It Starts With Me".

INTRODUCING THE
1978
Recipient of
THE JOSEPH G. ROGERS AWARD

C. EUGENE KELTNER

For nearly thirty years Gene has given dedicated volunteer service and outstanding leadership to the YMCA. For twenty-one of those years he guided and directed the lives of young people at the Decatur, Illinois YMCA as their swimming and diving coach, swimming instructor, counselor, and friend. While he served his local association, he also served the Illinois Area Physical Education Program, serving as its chairman from 1960 to 1962. He received the Layman of the Year Award in Illinois in 1958 which is the highest award attainable in the Illinois Physical Education Movement.

Gene has served the YMCA Competitive Aquatic Program since 1968, serving on the National YMCA Aquatic Committee and the Operating Council on Competitive Swimming and Diving. Currently, he is serving as Chairman of the Swim Council.

His other accomplishments include:

- Chairman, Men's Swimming and Diving Committee, National YMCA
- Chairman, Olympic Swimming Development Committee
- Member, Olympic Swimming Committee (1968 to present)
- Member, Board of Directors, International Swimming Hall of Fame
- Member, College Swimming Coaches Association Forum Committee
- Recipient, Service to Aquatics Award, National YMCA 1974

Gene has taught, officiated, and administered swimming programs both in and around the YMCA. He has officiated NCAA and AAU National Meets, was a key official in the 1972 and 1976 Olympic Trials, and has helped run the College Coaches Swim Forum in Fort Lauderdale, Florida, annually. All of this serves to preserve the place of the YMCA in the swimming world.

It has been said, "The greatest gift a man can give to his fellow man is the gift of a constructive, dedicated, and creative life." That is exactly what Gene Keltner has given to the YMCA Competitive Aquatic Program. Gene is a sincere, dedicated, and devoted YMCA layman.

Thanks, Gene, for these, your gracious gifts.
