His participation in YMCA activities dating back to the Ann Arbor YMCA is part of the foundation upon which his services to and accomplishments of competitive aquatics has benefited our sport. "No one man has had his foot, head and certainly his heart in so many levels of Swimming".

The measure of success or stature of a person is the effect that person has on other people. Bob Mowerson has touched many lives and has had a positive effect on all of them. His dedication to the Sport of Swimming has meant a great deal to competitors, parents and associates alike.

The greatest gift one can give to humanity is the gift of a constructive, dedicated and creative life. Many have given these gifts to the YMCA competitive Aquatic Program. Bob Mowerson is one of these people. We are indeed proud to honor G. Robert Mowerson as the 1987 recipient of the Joseph P. Rogers Award.
