

## Educational Session Available at Short Course Nationals on the College Admission Process

For the first time ever, we will be hosting an educational session at this year's YMCA nationals on the college admission process. Our 2011 YMCA National coach of the year, Glenn Neufeld of the Upper Main Line YMCA will be moderating a discussion forum of four college coaches as they talk about the admissions process from their varying perspectives as the coaches of successful swimming programs at four very different institutions of higher education. The four participating coaches and the moderator have a wide variety of college experience that they will be able to share with parents of current sophomores and juniors.

The program will take place at 4:00 PM on Sunday, April 1st. Check the YMCA National web site for specific location information later in the week.
