10th ANNUAL NATIONAL YMCA VIRTUAL INVITATIONAL SWIM MEET

ABOUT THE CHAMPIONSHIP

This meet is a closed (YMCA teams only), inter- or intra-association YMCA Invitational meet open to all YMCA registered swim teams. All competition is held at the local area or local YMCA.

The results of all local Virtual meet competitions will be consolidated into one Meet with teams and individuals ranked and awarded on their virtual place and scoring.

Because this competition is a closed Invitational Meet, it will count as one of the three closed meets to satisfy the qualification requirement for the National Championship.

Note: This Virtual Invitational Meet and any local competition as part of this Virtual Invitational Meet are not eligible to receive a YMCA Championship meet sanction. In addition, if you use a meet for the Virtual meet, you cannot count the meet again as a second closed invitational. In other words, the same meet cannot be counted as a Virtual and also counted as another inter-association meet.

TEAM

Team Registration: Each team must have completed the annual YMCA on-line team registration and paid the annual registration fee.

According to the Rules That Govern (Rule I, Sec. 12), for the purpose of YMCA competitive sports, an association is any YMCA unit that is approved by the National board, has a separate branch or association number and is eligible for a separate listing in the YMCA Directory. This could be a branch or a metropolitan association. A metropolitan association must decide whether to operate one competitive swimming program that represents the association as a whole, or to have each branch within the metropolitan association operate its own team. A YMCA team may only compete under one name and one association number during a given season. Teams may not compete as one combined team for the National YMCA Virtual Invitational Meet and then compete separately during the season, or vice versa.

According to the Rules That Govern, a YMCA association must be in good standing with its state, cluster and region in order to participate in this national event.

LOCAL COMPETITION PROCEDURES AND OPERATIONS

LOCAL COMPETITION: Teams may swim as an intra-squad competition (within their own team) or an inter-Association competition (two or more YMCAs). The competition must be held within the timeframe of the virtual meet contested period – Primary or Alternate (*Alternate only for teams where High School restrictions occur during the primary competition dates.*)

RULES: The meet must follow the Rules that Govern YMCA Sports, Addendum to the Rules that Govern YMCA Sports, and USA-S Technical Rules.

Note: Local competition must include at least one relay event

TIMING: All events must be electronically timed with at least one backup button or timed by three watches per lane. USA-S timing reconciliation rules must be used. When using Level 1 or Level 2 Timing Systems, any discrepancies must be resolved in accordance with the appropriate USA-S rule. When using Level 2 or Level 3 Timing Systems, there must also be place judges and they shall be used in conformance with appropriate USA-S rules.

MEET SETUP: Swimmers' birthdates must be included in the meet results or the swimmer will not be included in the Virtual competition ranking. Relay swimmers' names must be included in the results. Relays without relay swimmers' names will not be considered. Team addresses and head coach information must be included in the Meet Results Team information.

SUBMISSION INFORMATION

MAXIMUM EVENT LIMIT: A swimmer may swim a maximum of 5 events with no more than 4 individual events (e.g. three individual events and two relays, four individual events and one relay.) Swimmers who compete in more than a total of 5 age group stroke/distance events should be marked as exhibition beyond the maximum events allowed.

If a swimmer competes in more than the allowed number of age group stroke/distance events, the first 5 events they swim will count and the remaining will automatically be marked as exhibition.

YMCAs may swim multiple relay teams in a relay event as long as an individual swimmer does not exceed the maximum number of events.

AGE: The age of the swimmer is automatically calculated as of the first day of the Virtual competition: **Oct 20**. Swimmers will automatically be included into their appropriate age group regardless as to the age group of the event they swam.

SUBMISSION FEES: There is no fee to submit local meet results.

SUBMISSION DEADLINE: **December 15, 2018 by 11:59pm Eastern time**
