To protect children participating in YMCA of the USA National Youth Events by providing our staff and volunteers with policies to guide their conduct. These policies will also give staff and volunteers knowledge needed to carefully and safely interact with children in our facilities and our National Event venues.

## **POLICY 1: PROHIBITING THE ABUSE OR MISTREATMENT OF YOUTH**

The YMCA of the USA will not tolerate the mistreatment or abuse of youth in its programs. Abuse includes, but is not limited to, the following types:

- *Physical abuse* – Injury that is intentionally inflicted upon a youth.
- *Sexual abuse* – Any contact of a sexual nature that occurs between a youth and an adult or between two youths. This includes any activity which is meant to arouse or gratify the sexual desires of the adult or the other youth.
- *Emotional abuse* – Mental or emotional injury to a youth that results in an observable and material impairment in the youth's growth, development, or psychological functioning.
- *Neglect* – Failure to provide for a youth's basic needs or the failure to protect a youth from harm.

Any mistreatment or abuse by a staff member or a volunteer will result in disciplinary action, up to and including termination of employment or volunteer service.

## **POLICY 2: PROHIBITING THE ABUSE OR MISTREATMENT OF ONE YOUTH BY ANOTHER YOUTH**

YMCA of the USA is committed to providing all youth with a safe environment in its National Events. YMCA of the USA will not tolerate the mistreatment or abuse of one youth by another youth.

In addition, YMCA of the USA will not tolerate any behavior that is classified under the definition of bullying, and to the extent that such actions are disruptive, we will take steps needed to eliminate such behavior.

Bullying is aggressive behavior that is intentional, is repeated over time, and involves an imbalance of power or strength. Bullying can take on various forms, including:

- *Physical bullying* – when one person engages in physical force against another person, such as by hitting, punching, pushing, kicking, pinching, or restraining another.
- *Verbal bullying* – when someone uses their words to hurt another, such as by belittling or calling another hurtful names.
- *Nonverbal or relational bullying* – when one person manipulates a relationship or desired relationship to harm another person. This includes social exclusion, friendship manipulation, or gossip. This type of bullying also includes intimidating another person by using gestures.
- *Cyberbullying* – the intentional and overt act of aggression toward another person by way of any technological tool, such as email, instant messages, text messages, digital pictures or images, or website postings (including blogs). Cyberbullying can involve:
  - Sending mean, vulgar, or threatening messages or images;
  - Posting sensitive, private information about another person;
  - Pretending to be someone else in order to make that person look bad; and
- *Intentionally excluding someone from an online group Hazing* – an activity expected of someone joining or participating in a group that humiliates, degrades, abuses, or endangers that person regardless of that person's willingness to participate.
- *Sexualized bullying* – when bullying involves behaviors that are sexual in nature. Examples of sexualized bullying behaviors include sexting, bullying that involves exposures of private body parts, and verbal bullying involving sexualized language or innuendos.

Anyone who sees an act of bullying, and who then encourages it, is engaging in bullying. This policy applies to all youth participating in the National Events, staff and volunteers.

**POLICY 3: ANNUAL REVIEW OF CHILD ABUSE PREVENTION POLICIES**

## **POLICY 6: MANAGING THE RISK WHEN ONE STAFF MEMBER IS ALONE WITH ONE YOUTH**

In those situations, where one-on-one interactions are approved, staff and volunteers should observe the following additional guidelines to manage the risk of abuse or false allegations of abuse:

### ***Additional Guidelines for One-on-One Interactions***

- When meeting one-on-one with a youth, always do so in a public place where you are in full view of others
- Avoid physical affection that can be misinterpreted. Limit affection to pats on the shoulder, high-fives, and handshakes
- If meeting in a room or office, leave the door open or move to an area that can be easily observed by others passing by
- Inform other staff and volunteers that you are alone with a youth and ask them to randomly drop in
- Document and immediately report any unusual incidents, including disclosures of abuse or maltreatment, behavior problems and how they were handled, injuries, or any interactions that might be misinterpreted

### ***TUTORING/ PRIVATE COACHING***

One-on-one situations, such as tutoring and private coaching sessions, introduce additional risks for false allegations. Staff and volunteers should be aware of our policies regarding tutoring and private coaching:

1. Staff and volunteers must have supervisor approval for any tutoring or private coaching sessions.
2. Tutoring and coaching sessions with YMCA of the USA's youth may not occur outside of the organization.
3. Supervisors must keep a schedule of private tutoring and coaching sessions, which should include times, youth involved, and location of sessions.

## **POLICY 7: MANAGING INTERACTIONS BETWEEN STAFF AND YOUTH OUTSIDE OF REGULARLY SCHEDULED PROGRAM ACTIVITIES**

Many cases of organizational abuse occur off-site and outside of regularly scheduled activities. This contact outside of regularly scheduled activities may put staff, volunteers, and YMCA of the USA at increased risk.

YMCA of the USA strongly recommends that staff and volunteers do not have outside contact with youth from the organization. However, if off-site contacts are unavoidable, YMCA of the USA has determined that the following forms of outside contact are appropriate and inappropriate:

In addition, when outside contact is unavoidable, ensure that the following steps are followed:

1. Supervisors should identify for staff and volunteers what types of outside contact are appropriate and inappropriate.
2. Ensure that staff or volunteers have the parents' permission to engage in outside contact with the youth. Consider requiring the parents to sign a release-of-liability statement.

Because we are a youth-serving organization and the safety of children is of the utmost importance, YMCA of the USA requires a criminal background check for all full-time, part-time and temporary employees\* upon hire, once a conditional offer of employment has been extended by the hiring manager or a representative of the Human Resources. Thereafter these employees will receive the screening every other year. These criminal background checks will be conducted in accordance with applicable law.

YMCA of the USA shall ask applicants and employees to complete a **Background Check, Disclosure and Authorization\*** form authorizing it to conduct a criminal background check. Applicants and employees are required to complete the authorization as a condition of continued consideration for a position or continued employment with YMCA of the USA.

A criminal record will not automatically disqualify an applicant from employment or an employee from continued employment with YMCA of the USA. A variety of factors, such as the nature of the conviction, the relevance of the crime to the position, and the time that has elapsed since the conviction, will be taken into consideration.

If an applicant attempts to withhold information or falsify information pertaining to previous convictions, the applicant will be disqualified from further employment consideration with YMCA of the USA due to falsification of an application.

An offer of employment may be extended to an applicant prior to the completion of the criminal background check. However, the applicant's first day of work in the position cannot begin prior to the satisfactory completion of the criminal background check.

**\*Excludes temporary employees represented by an agency. All employees responsible for contracting with temporary employee agencies shall ensure that the contract requires that a criminal background check has been completed on the temporary employee within the last two years prior to the temporary employee beginning work with YMCA of the USA.**

### **POLICY 13: CRIMINAL BACKGROUND CHECKS – VOLUNTEERS**

For our National Youth Events, Volunteers working directly with children and youth will be required to have passed a criminal background check prior to participating in the Event. The term "Volunteers" in this instance does not include those who come in contact with children and youth in a public location for a limited period of time, as long as YMCA of the USA approved safeguards are in place for ensuring these individuals are never left alone with children or youth.

### **POLICY 14: CHILD ABUSE PREVENTION TRAINING**

YMCA of the USA requires all YMCA of the USA employees take certain child abuse awareness and prevention training within 30 days after hire. YMCA of the USA may require additional child abuse prevention and reporting training of some or all staff from time to time. No staff member shall attend a National Event without first taking the required child abuse prevention training.

Prior to participating in a National Event, staff and volunteers shall take certain child abuse prevention and mandated reporter training required by YMCA of the USA. This child abuse prevention training must have been taken within a year prior to the date of the National Event. Those staff members and volunteers who refuse or fail to take such training shall lose their right to participate in the National Event. The term "Volunteers" in this instance does not include those who come in contact with children and youth in a public location for a limited period of time, as long as YMCA of the USA approved safeguards are in place for ensuring these individuals are never left alone with children or youth.
